## Frequently Asked Questions

### Can this double door perfume box be customized with my brand logo?

Yes. We provide complete logo customization including gold foil stamping, embossing, UV printing, and other premium finishing options.

### Can the box size be customized for different perfume bottles?

Yes. The structure and inner insert can be customized according to different perfume bottle sizes, shapes, and quantities.

### What insert materials are available?

We provide customized options including EVA foam inserts, velvet-style inserts, paperboard inserts, and other protective solutions.

### Is this packaging suitable for Middle Eastern perfume brands?

Yes. The black gold luxury style, gold foil details, and multilingual printing options make it highly suitable for Middle Eastern fragrance markets.

### How do you ensure perfume bottles are protected during shipping?

The customized inner insert securely fixes the bottle position, while the rigid paperboard structure provides additional protection against pressure and impact.
