Product Description

Cylindrical Cardboard Gift Packaging Tubes with Custom Printing

Product Overview

This luxury round flower gift box is designed for premium floral presentation and elegant gift packaging. Made from 157gsm coated art paper combined with durable 2mm hard paperboard, the cylindrical structure provides excellent strength and a refined luxury appearance.

The exterior features floral-themed CMYK printing with matte lamination, creating a soft-touch and sophisticated visual effect. The box opens with a top-and-bottom lid structure, revealing a stylish black interior that enhances contrast and elevates [the flower arrangement presentation](#).

A 1.4m black cotton rope handle is attached to the outer sides, making the box easy to carry while adding a modern luxury gift aesthetic. This round rigid flower box is ideal for preserved roses, fresh flower bouquets, event gifting, cosmetics, candles, and seasonal luxury packaging.

Core Features & Benefits

Floral Luxury Design | Elegant Gift Presentation

The exterior uses floral-inspired artwork combined with matte lamination to create a refined luxury packaging style.

Benefits for Customers

- Enhances visual presentation for flower arrangements
- Creates premium shelf and social media appeal
- Strengthens luxury gift branding
- Suitable for holiday and event gifting

1.5mm Rigid Paperboard Structure | Strong Product Protection

Constructed with 157gsm art paper wrapped over thick 1.5mm hard paperboard.

Benefits for Customers

- Protects flowers and gifts from deformation
- Maintains stable cylindrical structure during shipping
- Improves durability for reusable packaging
- Suitable for premium retail display

Black Interior Printing | High-End Unboxing Experience

The inside of the round box features full black printing for a luxury contrast effect.

Benefits for Customers

- Makes flower colors appear more vivid
- Creates elegant visual depth inside the box
- Improves customer unboxing experience
- Enhances perceived product value

1.4m Black Rope Handle | Portable and Stylish

Equipped with a durable black cotton rope handle for easy carrying.

Benefits for Customers

- Convenient for gifting and retail carrying
- Adds decorative premium detail

Improves user experience for flower delivery
Enhances overall luxury appearance

Eco-Friendly Paper Materials | Sustainable Packaging Solution

Made primarily from recyclable rigid paper materials.

Benefits for Customers

- Supports environmentally responsible packaging goals
- Reduces plastic packaging usage
- Encourages reusable storage applications
- Improves eco-conscious brand image

Application Scenarios & Solutions

Application Scenario	Customer Concern	XL Packaging Solution
Fresh flower bouquet packaging	Flowers easily damaged during transport	Thick 2mm rigid paperboard improves protection
Preserved rose gift box	Packaging lacks luxury appearance	Floral matte laminated exterior enhances presentation
Wedding flower gift packaging	Packaging difficult to carry	1.4m black rope handle improves portability
Holiday gift packaging	Interior presentation not attractive enough	Black interior creates premium visual contrast
Retail flower shop display	Packaging should support brand image	Custom printing and luxury finishing available
Luxury event gift packaging	Need reusable packaging structure	Durable cylindrical box supports reuse

Frequently Asked Questions

Can the size of the round flower box be customized?

Yes. Diameter, height, rope length, printing, and internal structure can all be customized according to your requirements.

Is the floral design customizable?

Yes. You can provide your own floral artwork, brand patterns, logos, and color preferences for custom printing.

Can the box be used for fresh flowers?

Yes. The rigid structure is suitable for flower arrangements, preserved roses, and gift bouquet packaging.

What surface finishing options are available?

We support matte lamination, gloss lamination, hot stamping, embossing, UV coating, and other premium finishing options.

Is the paper tube eco-friendly?

Yes. The box is primarily made from recyclable paper materials and supports sustainable packaging needs.

Can I order samples before mass production?

Yes. Plain samples and printed samples are available for approval before bulk production.

Do you support international shipping?

Yes. We provide worldwide shipping by express, air, railway, and sea transportation.
