The chocolate paper box crafted from 350gsm white cardboard, use cardboard to fold a complete paper box, make this box resembles a rigid chocolate gift box. When you first see the cardboard gift box chocolate packaging, the box exudes a glossy sheen and intricate textures, attributed to the use of glossy lamination and embossing techniques. These textures elevate chocolate candy gift packaging box overall appearance, giving it a sophisticated and upscale feel.

The chocolate paper box features a primarily white exterior with a unique touch - a combination of white and black on the chocolate boxes lid. A striking black foil logo is elegantly stamped at the top of the paper box, and the edges of the lid are adorned with black foil accents, adding a subtle yet stylish design element. The bottom part of the chocolate truffle packaging box is pure white.
