Wholesale Recycled Design Logo-Printed Round Chocolate Gift Boxes – Sustainable Luxury Packaging for Premium Confections

Elevate your chocolate brand with our Wholesale Recycled Design Round Chocolate Gift Boxes, combining eco-consciousness, custom branding, and elegant aesthetics for premium gifting. Crafted from recycled materials and featuring full-color logo printing, these round boxes offer sustainable luxury for chocolates, truffles, and confectionery while meeting wholesale demands for retail, events, and corporate gifting.

Key Features: Eco-Luxury Meets Custom Branding

1. Recycled Materials for Sustainability

Constructed from 70%+ recycled cardboard or kraft paper, certified by FSC®, SFI®, or PEFC™ for eco-credibility.

Biodegradable and compostable, with water-based inks and glue for a low-carbon footprint.

Rigid Round Structure:

350gsm–500gsm recycled rigid board ensures durability, protecting chocolates from crushing while maintaining a lightweight design.

2. Custom Logo Printing & Design

Full-Color Branding:

High-resolution CMYK/Pantone® printing for logos, brand names, or artistic designs on the cylindrical surface.

Matte or gloss aqueous coating enhances print vibrancy and protects against scuffs.

Embellishments for Luxury:

Foil Stamping: Gold, silver, or copper foil on logos or “Recycled” badges for premium appeal.

Embossing/Debossing: Tactile details like chocolate textures or brand crests for added sophistication.

3. Functional Round Design for Gifting

Secure Closure:

Tuck-top lid or magnetic closure (optional) ensures easy opening while keeping chocolates fresh and secure.

Custom Interior Inserts:

Recycled paper trays or biodegradable foam inserts with slots for 6–12 chocolates (round, square, or irregular shapes).

Optional velvet lining (recycled polyester) for premium sets.

4. Wholesale Efficiency & Versatility

Bulk Production:

Low MOQs (1,000+ units) with factory-direct pricing, ideal for chocolatiers, gift shops, or corporate buyers.

Flat-packed shipping reduces logistics costs by 40% compared to rigid round boxes.

Size Options:

Standard diameters: 10cm, 15cm, 20cm (heights: 5cm–10cm); custom sizes for specialty chocolates or multi-layer sets
