Custom Design Red Black Matte Perfume Gift Box Lid & Base Paperboard Packaging with Gold Foil Stamping, Embossed Logo Luxury Perfume Packaging for Brands Gifting

Custom Design Perfume Paper Box – Luxe Lid-and-Base Packaging in Red-Black Matte for Elegant Fragrance Gifting

Elevate your perfume brand with our Custom Design Perfume Paper Box, a sophisticated packaging solution blending bold red-black matte aesthetics, premium paperboard construction, and customizable details. Perfect for luxury perfumes, eau de parfum, or gift sets, this lid-and-base box exudes elegance while protecting delicate glass bottles with style.

Key Features: Bold Sophistication Meets Functional Luxury

1. Dramatic Red-Black Matte Exterior

Luxury Color Palette:

Deep black base with striking red accents (e.g., lid trim, brand logo) in a velvety matte finish, creating a timeless contrast ideal for luxury or niche perfume brands.

Anti-fingerprint coating maintains a sleek, smudge-free appearance on shelves or during gifting.

Rigid Paperboard Structure:

1200gsm–1500gsm high-density paperboard for durability, protecting 50ml–100ml perfume bottles from impact.

Reinforced corners and edges for secure shipping and shelf stability.

2. Lid-and-Base Design for Premium Unboxing

Snug Fit:

Precision-cut lid and base ensure a seamless closure, with optional magnetic strips for a smooth, automatic “soft close” experience.

Interior Elegance:

Velvet or satin lining in matching red or black, custom-molded to cradle the perfume bottle and prevent movement.

Optional foam inserts with cutouts for additional accessories (e.g., travel-sized samples, atomizers).

3. Custom Branding & Luxe Finishes

High-Impact Branding:

Embossed/Debossed Logos: Tactile brand names or fragrance motifs (e.g., roses, bottle silhouettes) on the lid for understated luxury.

Foil Stamping: Gold or silver foil for logos, fragrance names, or decorative elements

Spot UV Varnish: Glossy accents on red details to contrast with the matte black background.

Transparent Window Option:

Die-cut PVC/PET window on the lid to showcase the perfume bottle’s cap or label, ideal for retail visibility.

4. Versatile Sizing & Eco-Friendly Options

Custom Dimensions:

Standard size: 10x10x15cm (fits 100ml bottles); custom shapes for irregular bottles

Why Choose Our Red-Black Matte Perfume Boxes?

Luxury Visuals: The bold color scheme and matte finish evoke sophistication, aligning with high-end fragrance aesthetics.

Bottle Protection: Rigid structure and custom inserts safeguard fragile glass flacons during transit.

Brand Storytelling: Custom finishes allow you to communicate the perfume’s mood (mysterious, passionate, elegant) through packaging.

Cost-Effective Premium: Matte laminates and foil stamping offer luxury at a lower cost than leather or metal boxes.
