Luxury Perfume White Paper Gift Box with Hot Stamping – Custom Logo Lid and Base Packaging

Elevate your premium perfume brand with our Luxury White Paper Gift Box, featuring elegant hot stamping and a classic lid-and-base structure. Crafted for high-end fragrances, this box combines minimalist white aesthetics with customizable gold/silver hot-stamped logos, creating a sophisticated packaging solution that enhances brand luxury and unboxing experience.

Key Features: Timeless Elegance Meets Premium Finishes

1. Sleek White Exterior with Hot Stamping

Pristine White Aesthetics:

Choose from matte or gloss white paperboard (300gsm–600gsm) for a clean, minimalist look that allows hot-stamped details to shine.

Premium Hot Stamping:

Gold, silver, or rose gold hot stamping for logos, fragrance names, or decorative motifs (e.g., floral patterns, Art Deco lines) on the lid and base.

Embossing Options:

Tactile hot-stamped elements (raised logos or patterns) for a luxurious, touchable finish.

2. Rigid Lid-and-Base Structure

Secure Protection:

Two-piece design with a snug-fitting lid and reinforced base, protecting 50ml–100ml perfume bottles from dust and impact during display or shipping.

Sophisticated Unboxing:

Smooth edges and precise construction create a premium reveal experience, ideal for luxury fragrance launches.

3. Custom Interior for Perfume Presentation

Luxury Lining:

Satin, velvet, or suede lining in complementary colors (black, gold, or matching white) to enhance the premium feel.

Cradle Inserts:

Die-cut EVA foam or cardboard inserts molded to fit perfume bottles, preventing movement and enhancing stability.

4. Fully Customizable Branding

Design Flexibility:

Full-color CMYK/Pantone printing for background patterns (e.g., subtle gradients, abstract designs) on the white surface.

Eco-Friendly Options:

FSC-certified white paper, water-based inks, and recycled fabric linings for sustainable luxury brands.

Technical Specifications

Material: 300gsm–600gsm white paperboard (matte/gloss), optional fabric lining

Hot Stamping: Gold, silver, rose gold on selected areas

Interior Lining: Satin, velvet, or felt (100% polyester or recycled)

Closure: Snug-fitting lid with friction seal

Ordering Process

Design Consultation: Share perfume dimensions, logo files, and preferred finishes (matte/gloss, hot-stamp color).

3D Mockup & Sample: Review a digital proof and physical sample to test insert fit and hot-stamp accuracy.

Production: Precision die-cutting and hot-stamping with strict quality control.

Global Delivery: Flat-packed shipping to reduce logistics costs, with express options for urgent orders.

Package luxury in pure white elegance. Contact us to create custom hot-stamped perfume boxes that reflect the sophistication of your fragrance brand and deliver an unforgettable unboxing experience.
