Product Description

Custom Folding Card Paper Luxury Perfume Gift Boxes

Premium Product Overview

Crafted from high-quality thick white cardstock, these foldable perfume gift boxes feature an elegant white and navy color-block design. Large blank white surfaces are complemented by a central navy band strip, with delicate light gold botanical plant patterns printed on side panels. The smooth, neat paper surface creates a minimalist upscale appearance that perfectly matches premium perfume and cosmetic branding.

Constructed as collapsible flat-fold cartons, these boxes can be fully flattened for compact storage, significantly reducing warehouse and shipping costs. A small matching navy snap tab securely fastens the box for easy opening and closing. The regular rigid rectangular shape provides stable support for perfume bottles, skincare samples, and assorted beauty cosmetic sets.

Full CMYK offset printing is available for **custom brand logos**, exclusive artwork, and personalized color schemes. The recyclable eco-friendly cardboard comes in multiple customizable sizes, making it ideal packaging for perfume gift sets, skincare bundles, beauty favor gifts, and seasonal brand promotional presents.

Core Selling Points

Empty boxes can be folded completely flat to greatly reduce bulk volume, effectively lowering inventory storage expense and international shipping charges for bulk orders.

Custom CMYK Full-Color Printing | Unlimited Personalized Brand Design

Supports full-surface CMYK four-color printing to customize patterns, brand logo and box color freely to realize exclusive brand packaging styling.

Snap Tab Fastener Design | Secure Closure & Convenient Daily Use
