Product Description

Red Printed Magnetic Closure Jewelry Box

Premium Product Overview

Crafted from premium 157gsm art paper wrapped over sturdy rigid cardboard, this magnetic jewelry box features a solid bright red finish with delicate random gold speckles on the lid surface, creating a luxurious festive red-gold visual effect. The smooth matte paper texture, **slim elongated box shape**, and neat sharp edges deliver an elegant upscale packaging appearance perfect for fine jewelry.
Designed as a book-style flip lid with hidden embedded magnet, the cover auto-closes tightly via magnetic attraction after opening without loose gaps. The matching red pull-out inner drawer slides smoothly, and the slim elongated dimension is perfectly tailored for long necklaces, bracelets, and strip-shaped fine jewelry storage.

Core Product Features

Premium 157gsm Art Paper + Rigid Board | Luxe Matte & Sturdy Structure

Top-grade 157gsm coated art paper laminated on thick rigid cardboard maintains the long slim box shape unchanged, while the scratch-resistant matte surface upgrades premium brand texture for high-end jewelry.

Hidden Magnetic Book Closure | Auto Tight Sealing & Reusable Durability

Built-in invisible strong magnet enables automatic tight lid closure after opening; stable magnetic force maintains consistent sealing performance over repeated daily open-and-close use.

Gold Speckle Hot Stamping Finish | Eye-Catching Festive Luxury Look

Exquisite scattered gold speckle foil printing on red lid creates distinctive upscale outlook, effectively boosting shelf attractiveness for jewelry retail and holiday gift selling.

Sliding Pull-out Inner Drawer | Convenient Long Jewelry Storage

Matching-color pull drawer with smooth sliding motion is specially sized to accommodate long necklaces and bracelets without bending or scratching delicate jewelry pieces.
