Product Description

Personalized Printed Cosmetic Jewelry Packaging for Beauty & Jewel Gift Bundles

Xmas Gingerbread Themed Rigid Gift Box Series Design

Box Shapes & Built-In Handle Structure

This holiday gift box collection includes three rigid two-piece lid-base styles: square box, rectangular oblong box and round cylinder box, forming a matched series to fit various-sized items like jewelry, makeup sets, reed diffusers, bath care bundles and mini skincare kits.

Pre-sewn sheer coffee organza ribbon handles are fixed on both sides of each box, eliminating the need for separate shopping bags. The matching brown ribbon creates cohesive visual harmony and brings convenient, ready-to-gift experience for holiday gifting. Built with thick dense grey board core, these rigid boxes stay firm and anti-crush for bulk seasonal stock and retail shelf display.

Base Background & Full-Wrap Christmas Gingerbread Print

All three boxes share identical full-wrap watercolor gingerbread artwork printed on a deep chocolate brown base. The pattern covers classic winter holiday elements: gingerbread men, candy canes, snowflakes, gift parcels, bells and round cookie motifs. Warm caramel cookie textures paired with delicate white icing outlines deliver soft retro warm winter bakery vibes. Uniform print across all box shapes greatly strengthens series recognition and **creates eye-catching full-set retail display effects**.

Material & Craft Specifications

Outer wrapping adopts premium 157gsm coated art paper with high-definition CMYK offset printing to restore soft watercolor texture. The surface is finished with matte lamination, fingerprint-proof, scratch-resistant and long-lasting for long-term shelf display. The lid and base fit tightly with neat die-cut edges. Organza ribbons are stitched firmly to avoid falling off during long-distance international shipping, balancing delicate aesthetics and outstanding durability.

Color Palette & Brand Positioning

The whole set features muted retro warm tones: dark chocolate base + caramel gingerbread illustrations matched with sheer light brown organza handles. Instead of overly bright traditional Christmas red and green, this gentle vintage bakery style softens strong holiday flair. The versatile design works perfectly as cosmetic gift boxes, jewelry packaging, candle holders and cookie treat boxes, ideal for US & EU Christmas and New Year seasonal gift markets.

Core Design Advantages

- Multi-shape matched series: Round, square and rectangular sizes cover tiny jewelry pieces, multi-piece spa sets and home fragrance candles to meet diverse product packaging demands.
- Integrated organza handle: No extra tote bag purchase required, cutting down packaging material and labor costs for quick gift wrapping.
- Consistent seasonal artwork: Uniform gingerbread print unifies the whole product line, making full sets stand out prominently on retail shelves.
- Wide cross-industry compatibility: Soft retro gingerbread print fits beauty, jewelry, home fragrance and edible bakery gift markets to expand your customer groups.

Core Selling Points

3 Matching Box Shapes | One Holiday Print For Full Product Line Coverage

Square, rectangular and round cylinder rigid boxes adopt identical Christmas gingerbread artwork, covering small jewelry, multi-piece cosmetic sets and home fragrance products. Unified series design boosts retail shelf attractiveness and supports full seasonal gift collections.

Pre-Sewn Organza Carry Handle | Ready-To-Gift Without Extra Packaging

Fixed sheer coffee organza ribbon handles are firmly stitched on each box. Customers can hand gifts directly without separate shopping bags, saving additional packaging costs and accelerating holiday packing workflow.

Premium 157gsm Matte Coated Art Paper | Scratch & Fingerprint Resistant Holiday Finish

Made of thick 157gsm art paper with full matte lamination. High-definition watercolor gingerbread printing delivers soft retro texture, while the matte film prevents scratches and hand marks during retail display and transit.

Thick Rigid Grey Board Core | Anti-Crush For Bulk Seasonal Stock Shipping

Dense heavy grey board construction maintains box shape without denting or collapsing. Ideal for mass Christmas/New Year bulk orders and long cross-border sea/air freight transportation.

Fully Customizable Printing & Sizes | Exclusive Branded Holiday Packaging

Custom box dimensions, organza ribbon colors, holiday artwork, brand logo and foil stamping crafts available. We tailor unique seasonal packaging for beauty, jewelry, spa and bakery brand seasonal promotions.
