Product Description

Custom Clear Box Carton Packaging Sealing Packing Opp Bopp Strong Self Adhesive Tape

OPP Tape

Tape thickness: 35mic to 80mic. Common size is 40mic, 45mic, 50mic, 68mic

Tape width: 24mm to 72mm. Common size is 50mm, 72mm, 2inch, 3inch

Tape length: 10mts to 1000mts. Common size is 100y, 300y, 1000y

Elongation: 120% at break

Application temp: -30 to 40°C

Tensile strength: 70-80N/25mm

Function: Low noise type, no bubble, easy tear

Adhesive tape - the unsung hero of countless applications!

Adhesive tape is more than just a sticky strip. It's a reliable companion that holds things together, whether it's in your home, office, or industrial setting.

Our collection of adhesive tapes comes in various types and strengths to meet all your needs. From the clear tape that blends seamlessly for packaging and crafting to the heavy-duty tape that can withstand extreme conditions, we have it all.

The adhesive power of our tapes ensures a firm grip, providing you with the confidence that whatever you're attaching will stay in place. Whether you're sealing boxes, making temporary repairs, or marking boundaries, adhesive tape is your go-to solution.

It's not just about functionality; our adhesive tapes also offer convenience. They are easy to cut, apply, and remove when needed, without leaving a messy residue.

Adhesive tape is an essential tool that simplifies your life and helps you get the job done efficiently. Discover the endless possibilities with our high-quality adhesive tapes today!

Reliable, Versatile, and Brand-Ready

Introducing our Custom OPP BOPP Self-Adhesive Tape, designed for superior sealing in clear box, carton, and packaging applications. Crafted from high-quality oriented polypropylene (OPP) and BOPP (biaxially oriented polypropylene), this tape offers exceptional strength, clarity, and customization options to meet your packaging needs.

Key Features

Premium Material & Performance

Made from durable OPP/BOPP film with a strong acrylic adhesive layer, ensuring:

High tensile strength to prevent tape breakage during sealing.

Resistance to moisture, dust, and temperature changes (ideal for indoor/outdoor use).

Crystal-clear transparency (for clear tape) or opaque white/color options for branding.

Quick adhesion: Bonds instantly to cardboard, plastic, paper, and other packaging surfaces, reducing assembly time.

Custom Printing for Brand Visibility

Full-color logo printing on tape surface to reinforce your brand during shipping and handling.

Options include:

Single-color or multi-color designs (e.g., brand logos, slogans, warning messages).

UV coating for enhanced durability and print resistance.

Custom widths (12mm-100mm) and lengths (50m-1000m per roll) to suit different packaging sizes.

Self-Adhesive Convenience

Easy-to-use design: No need for additional glue or tools—simply peel and apply.

Suitable for manual sealing or automated packaging lines, making it versatile for small businesses and large-scale operations.

Applications

Clear Box Sealing: Secure transparent packaging for retail products (e.g., electronics, cosmetics, gifts) while showcasing your brand.

Carton & Box Sealing: Reliably seal corrugated boxes for shipping, storage, or warehouse use.

Branded Packaging: Turn tape into a marketing tool by displaying your logo on every package, enhancing unboxing experiences.

Industrial & Logistics: Heavy-duty sealing for pallets, machinery parts, or bulk shipments.

Why Choose Our Tape?

Strength & Durability: Resists tearing, splitting, and edge curling for long-lasting seals.

Custom Branding: Enhance brand recognition with every package shipped.

Eco-Friendly Options: Recyclable OPP/BOPP materials available (upon request).

Factory Direct Pricing: Competitive wholesale rates for bulk orders, with no minimum order quantity restrictions for standard sizes.

Fast Production: Quick turnaround (7-10 days) for custom-printed tapes, including design proof approval.

Technical Specifications

Base Material: OPP/BOPP film

Thickness: 40-60 microns (customizable)

Adhesive Type: Acrylic pressure-sensitive adhesive

Tensile Strength: ≥ 40 N/cm

Temperature Resistance: -10°C to 60°C

How to Order

Submit Your Design: Provide logo files (AI, PDF, or high-resolution JPG) and specify tape dimensions.

Choose Features: Select tape clarity (clear, white, or colored), adhesive strength, and coating options.

Approve Sample: Review a pre-production sample to ensure print quality and performance.

Production & Delivery: Worldwide shipping via express courier or sea freight.

Secure Your Packaging, Promote Your Brand

Whether you need clear tape for transparent boxes, branded tape for cartons, or heavy-duty sealing for logistics, our Custom OPP BOPP Self-Adhesive Tape delivers reliability and style. Contact us today for a quote or sample—let's create packaging tape that works as hard as your brand!
