XL Packaging offers a range of custom gift box packaging solutions, including custom - printed rigid cardboard paper boxes, cosmetic paper boxes, and false eyelash packing boxes, which are available for wholesale. Here is an introduction to these products:

#### Custom - Printed Rigid Cardboard Paper Box

**Material:** Usually made from durable cardboard paper, such as 1.5 mm kappa paper board. This kind of material ensures the box has high strength and can well protect the contents inside.

**Customization Options:** In terms of size, it can be customized to various dimensions to meet different product needs. For printing, there are CMYK, PMS and other printing options, and processes like gold/silver foiling, embossing, raised ink can be added to enhance the visual effect and texture of the box. The surface finish can be gloss lamination, matte lamination, spot UV, etc., to present different aesthetic effects.

**Style:** There are various styles to choose from, such as top - and - bottom - lid boxes, magnetic - flap boxes, and pull - out box styles.

#### Cosmetic Paper Box

**Material and Structure:** Commonly made from paperboard, which is recyclable. The structure can be customized, including tuck - end boxes that can be assembled quickly by machine and by hand.

**Customization for Cosmetics:** It can be customized in size and shape according to different types of cosmetic products, such as lipstick, eyeshadow, or skincare products. The printing can adopt CMYK, PMS color systems, and can be combined with processes like embossing, matte lamination, UV coating, gold foil stamping, etc., to highlight the brand and product features. Some cosmetic boxes may also have custom window cut - outs, which can display the products inside without opening the box.

#### False Eyelash Packing Box

**Function - Oriented Design:** False eyelash packing boxes are designed to hold false eyelashes securely. For example, some boxes can hold 4 pairs of false eyelashes and are equipped with an eyelash tray to keep the eyelashes in place, clean, dry, and organized.

**Material and Appearance:** They are often made of high - quality paper, and the eyelash tray is made of durable plastic. The appearance can be customized with different colors, patterns, and shapes. Common shapes include rectangles, squares, circles, hearts, etc. There are also some special - shaped boxes, such as butterfly - shaped or marble - patterned boxes, which are very attractive. In addition, features like magnetic closures, ribbons, or feathers can be added to enhance the luxury and beauty of the packaging.

#### The Customized Eyelash Box: A Statement of Individuality

In the world of beauty and glamour, every detail matters. Enter the realm of customized eyelash boxes.

These unique eyelash boxes are more than just containers; they are an extension of your personal style and brand. Whether you're a professional makeup artist looking to showcase your work or a beauty enthusiast desiring a touch of exclusivity, custom eyelash boxes are the answer.

The customization process allows you to choose from a plethora of options. Select the material that suits your taste - it could be a sleek and modern plastic, a luxurious metal, or a sustainable cardboard. Each material offers its own charm and durability.

Design is another aspect where you can truly let your creativity shine. Choose from a variety of colors, patterns, and finishes. Add your logo, a unique design element, or a personalized message to make the box truly one-of-a-kind.
