Product Description

Customized Luxury Chocolate Box Candy Gift Cookie Chocologate Gift Paper Box

The size of chocolate boxes varies depending on their purpose and design. The common sizes of chocolate boxes are as follows:

Small chocolate box:

Approximately 10-15 centimeters in length, 8-12 centimeters in width, and 3-5 centimeters in height. This size of box is usually suitable for holding small amounts of chocolate, such as small surprises as gifts or welcome gifts for hotels. For example, some handmade chocolate brands may launch small and exquisite boxes containing 5-8 chocolates.

Medium sized chocolate box:

Approximately 18-25 centimeters in length, 12-18 centimeters in width, and 5-8 centimeters in height. This is a common chocolate box size that can hold a large amount of chocolate and is suitable as a gift for family and friends. Generally, it can hold around 15-30 pieces of chocolate to meet people's needs for different flavors of chocolate.

Large chocolate box:

More than 30 centimeters in length, over 20 centimeters in width, and over 10 centimeters in height. This size of chocolate box is usually used for special occasions such as weddings, large events, etc. It can hold a large amount of chocolate and even serve as a display box for chocolate, giving people a rich and luxurious feeling.

It should be noted that different brands and manufacturers may design chocolate boxes of various sizes based on their product characteristics and market demand. Meanwhile, customized chocolate boxes can also be sized according to specific requirements.
