2. **Cardboard Construction:** The cardboard base provides stability and durability while keeping the cost relatively low compared to solid wood or metal boxes.
3. **Custom Logo:** The ability to add a custom logo allows for brand promotion and personalization. It makes the watch box unique and helps to create a memorable impression.
4. **Paper Watch Gift Box:** The inclusion of a paper watch gift box inside the PU leather box provides an additional layer of protection and presentation. It can be customized with colors and designs to match the overall aesthetic.

Benefits for Packaging

1. **Protection:** The watch box offers excellent protection for the watch during transportation and storage. The PU leather exterior and cardboard construction help to prevent scratches, dust, and damage.
2. **Presentation:** The luxurious design and custom logo make the watch box a beautiful presentation for a gift. It enhances the perceived value of the watch and shows that you have put thought and effort into the packaging.

Considerations for Choosing

1. **Quality:** Look for a watch box made from high-quality materials that are durable and long-lasting. Check the stitching, closures, and overall construction to ensure that it can withstand regular use.
2. **Customization Options:** Consider the customization options available. Determine if you can choose the size, shape, color, and placement of the logo to create a watch box that meets your specific needs.
3. **Quantity and Pricing:** Determine the quantity of watch boxes you need and compare prices from different suppliers. Look for wholesale discounts and volume pricing to get the best value for your money.
4. **Supplier Reputation:** Choose a reliable supplier with a good reputation for quality products and customer service. Read reviews and ask for samples if possible to ensure that you are getting a product that meets your expectations.

In conclusion, a wholesale price custom cardboard luxury black PU leather watch box packaging with a logo is a great choice for presenting watches as gifts.
