Product Description

Custom Embossed Cosmetic Packaging Boxes 350gsm White Kraft Paper Perfume Gift Box

Custom Drawer Paper Box for Perfume Samples | Sliding Pull Out Packaging Box for Fragrance Pens

XL Packaging specializes in manufacturing **custom drawer paper boxes for perfume samples, fragrance pens, and aroma testing products**. This long sliding drawer box adopts a sleeve-and-drawer structure, providing a smooth pull-out experience and secure product positioning.

Designed with a slim horizontal shape, this packaging solution is ideal for perfume sample tubes, fragrance pens, scent testers, and promotional fragrance gifts. The combination of minimalist artistic printing, contrasting colors, and functional inner compartments creates a premium packaging experience for niche fragrance brands, beauty retailers, and luxury sample collections.

Premium Features of Custom Drawer Perfume Sample Boxes

Sleeve & Drawer Structure | Smooth Sliding Experience & Premium Unboxing

The box features a classic two-piece drawer design consisting of an outer sleeve and an inner sliding tray. The drawer mechanism allows smooth opening and closing while creating an elegant unboxing experience compared with traditional folding cartons.

Key Benefits

- Smooth pull-out drawer structure
- Premium gift-style opening experience
- Compact long-shaped design
- Suitable for fragrance sample products
- Easy for retail display and online shipping

Precision Inner Insert | Secure Protection for Fragrance Pens

The inner drawer is designed with a customized die-cut paper insert that accurately holds perfume testing tubes and fragrance pens. The insert prevents products from moving during transportation and improves product presentation.

Key Benefits

- Customized product positioning
- Prevents sample tubes from shifting
- Reduces collision risk during shipping
- Keeps products neatly arranged
- Suitable for multiple sample formats

Artistic Contrast Color Design | Enhance Niche Fragrance Branding

The packaging combines a soft beige outer sleeve with a muted gray-purple inner drawer, creating an elegant contrast color effect. The minimalist hand-drawn illustration and artistic typography create a modern salon fragrance aesthetic.

Design Features

- Minimalist line-art illustration
- Custom brand typography
- Premium matte paper texture

Elegant neutral color combination

Suitable for boutique fragrance brands

Premium Paper Material | Durable & Eco-Friendly Packaging Solution

Made from high-quality thick white card paper, this drawer box provides excellent rigidity and maintains its shape during stacking, storage, and transportation.

Material Advantages

- High-strength paperboard construction
- Smooth matte surface
- Resistant to deformation
- Recyclable paper material
- Suitable for international eco-conscious markets

Fully Customized OEM Packaging | Build Your Unique Fragrance Collection

XL Packaging provides complete customization services, allowing brands to adjust box dimensions, colors, artwork, printing techniques, and inserts according to their product requirements.

Available Custom Options

- Custom logo printing
- Brand artwork customization
- Color customization
- Embossing
- Foil stamping
- Spot UV
- Matte lamination
- Custom paper inserts

Application Scenarios

Application Industry	Customer Concern	XL Packaging Solution
Niche Perfume Brands	Packaging needs to reflect artistic brand identity	Custom illustration printing and premium drawer structure create unique brand presentation
Fragrance Sample Stores	Need organized storage for multiple testers	Precision-cut inner inserts keep fragrance pens securely positioned
Beauty Retail Stores	Require attractive shelf display packaging	Long drawer shape and contrast colors improve visual appeal
E-commerce Fragrance Sellers	Need safe shipping packaging for samples	Protective inserts reduce movement and product damage during delivery
Perfume Gift Sets	Need matching sample packaging	Custom drawer boxes can be integrated with full-size perfume gift collections
Brand Trial Campaigns	Need premium promotional packaging	Compact structure is ideal for membership samples and marketing giveaways
Cross-border Fragrance Business	Need lightweight export packaging	Flat and compact design helps reduce storage and shipping space

Step 4	Prototype Sampling	Produce samples to test appearance, sliding function, and product fitting
Step 5	Sample Approval	Adjust details according to your feedback before bulk production
Step 6	Mass Production	Manufacture boxes with strict quality control procedures
Step 7	Packaging & Shipment	Pack products securely and arrange global delivery

Packaging & Logistics Information

Item	Details
Packing Method	Flat-packed export carton packaging
Inner Protection	Moisture-proof packaging available
Carton Type	Five-layer corrugated export carton
Product Protection	Corner protection and carton reinforcement available
Shipping Methods	Express / Air Freight / Sea Freight / Railway
Storage Advantage	Compact drawer structure saves warehouse space
Shipping Advantage	Lightweight paper packaging helps optimize transportation cost
Export Markets	Europe, North America, Australia, Middle East, Asia

Frequently Asked Questions

Q1: Can this drawer box be customized for different perfume sample sizes?

Yes. We can customize the internal insert according to different perfume tubes, fragrance pens, and sample bottle dimensions.

Q2: Can I customize my own logo and artwork?

Yes. We support complete OEM customization, including logo printing, illustrations, colors, fonts, and finishing effects.

Q3: Is the drawer structure strong enough for shipping?

Yes. The sleeve-and-drawer structure provides stable protection, while the customized insert reduces product movement during transportation.

Q4: Can this box be used for products other than perfume samples?

Yes. It can also be used for essential oil samples, aroma sticks, cosmetic testers, beauty samples, and small promotional gifts.

Q5: What printing and finishing options are available?

We provide CMYK printing, Pantone printing, matte lamination, soft-touch coating, embossing, foil stamping, UV coating, and other premium finishing options.

Q6: Can you produce matching packaging for full-size perfume products?

Yes. XL Packaging can create complete fragrance packaging solutions, including perfume boxes, gift boxes, shopping bags, and sample packaging.

Q7: Do you provide samples before mass production?

Yes. We provide samples for structure and quality confirmation. Plain samples usually take 1-2 working days, while printed samples require around 4-7 working days.

Looking for a professional custom drawer paper box manufacturer for perfume samples and fragrances packaging?

XL Packaging provides factory-direct OEM solutions with over18 years of packaging manufacturing experience, advanced printing technology, and customized structural design capabilities.

Whether you are launching a niche perfume collection, creating fragrances discovery kits, or developing luxury beauty packaging, we can help transform your ideas into premium packaging solutions.

Contact XL Packaging now to discuss your custom drawer perfume sample box project, receive packaging recommendations, request samples, and get a competitive factory quotation for your brand.
