Custom Cardboard Paper Storage Boxes for Bottles Wine Gift foldable Box With Strings and Button

Custom Cardboard Paper Storage Boxes for Wine Bottles – Foldable Gift Boxes with Strings and Button Closure
Combine practicality with rustic charm using our Custom Cardboard Paper Storage Boxes for Wine Bottles, designed for gifting, retail, and storage. These foldable boxes feature a durable cardboard construction, a charming string-and-button closure, and fully customizable designs, making them ideal for presenting wine bottles, champagne, or spirits with a touch of artisanal elegance.

Key Features: Functional Design Meets Gift-Worthy Aesthetics

1. Foldable Structure for Easy Assembly & Storage

Flat-Packed Efficiency:

Ships and stores as a flat sheet, saving up to 70% space compared to rigid boxes.

Quick assembly: Simply fold along pre-scored lines and secure with the string-and-button closure—no glue or tools required.

Rigid Cardboard Construction:

350gsm–500gsm corrugated or kraft cardboard for strength, holding single or double wine bottles (750ml–1.5L).

Reinforced side panels and bottom to prevent sagging or tearing during transport.

2. Charming String-and-Button Closure

Artisanal Appeal:

Natural jute, cotton, or satin strings paired with wooden or metal buttons add a rustic, handcrafted touch, perfect for eco-conscious or boutique brands.

Closure design allows for easy adjustment and reuse, enhancing the box's giftability.

Secure Hold:

Strings wrap around the box to keep the lid closed, ensuring bottles stay upright and protected during handling.

3. Customizable Branding & Design

Printed Personalization:

Full-color CMYK/Pantone® printing for logos, wine labels, vintage years, or decorative motifs (e.g., vines, grapes, or holiday themes).

Matte or gloss lamination to protect prints and add visual depth.

Embellishments:

Foil Stamping: Gold or silver accents for logos, "Handcrafted" labels, or celebratory messages (e.g., "Cheers!").

Embossing: Tactile details like wine bottle silhouettes or brand crests.

Size Options:

Single-bottle: 12x12x30cm

Double-bottle: 24x12x30cm

Custom dimensions for champagne flutes, gift sets, or irregular bottle shapes.

4. Eco-Friendly Materials

Sustainable Sourcing: FSC®-certified kraft paper or recycled cardboard options.

Biodegradable & Recyclable: Strings and buttons made from natural materials, with no plastic components for easy recycling.
