Product Description

Custom Foldable 2-Piece Heaven And Earth Lid Candle Gift Box

Flat Pack Shipping 350gsm Paper Box With 4-Slot PET Insert For Scented Candle

Product Overview

This custom foldable 2-piece heaven and earth lid candle gift box is specially designed for premium scented candle sets, fragrance collections, and luxury home gift packaging.

Manufactured with fully automated production, the box is made from 350gsm white card paper with an innovative foldable structure. The lid and base are produced as an integrated folding design, allowing the boxes to be shipped flat-packed to significantly reduce storage space and transportation costs. After receiving the goods, customers can easily assemble the box into a complete rigid-style gift package without complicated tools.

The exterior features elegant floral pattern 4-color printing, finished with matte lamination and enhanced with a custom gold foil logo, creating a sophisticated premium appearance. The inner box uses a vibrant red color design, paired with a stackable transparent PET insert that also supports flat stacking during shipping to save freight volume.

The customized PET tray includes 4 positioning slots to securely hold scented candles and prevent movement during transportation. The surface of the insert is laminated with black printed white card paper, adding a layered luxury appearance. This foldable candle gift box is an ideal packaging solution for 4-piece scented candle gift sets, offering both premium presentation and cost-efficient logistics.

Core Features & Benefits

Foldable Heaven And Earth Lid Structure | Save Storage & Shipping Costs

Unlike traditional rigid candle boxes, this innovative foldable structure allows the box to be shipped flat, reducing warehouse space and freight volume. Customers can quickly assemble the box when needed, making it an efficient packaging solution for global brands.

350gsm Premium Paper Construction | Lightweight Yet Durable

Made from high-quality **350gsm white card paper**, the box provides a clean appearance, stable structure, and excellent print performance. It is suitable for brands looking for eco-friendly paper packaging with a premium feel.

4-Slot PET Insert | Secure Candle Protection

The transparent PET tray features four customized compartments to hold individual scented candles securely. The insert prevents products from moving, scratching, or colliding during transportation while maintaining an attractive display.

Luxury Floral Printing With Gold Foil Logo | Enhance Brand Value

The floral artwork, matte surface finish, and gold foil logo create an elegant and premium packaging style. This design helps fragrance brands improve shelf appeal and deliver a memorable unboxing experience.

Stackable Packaging Design | Optimized For Global Shipping

Both the foldable paper box and PET insert support stacking during transportation. This space-saving structure helps reduce logistics costs and improves efficiency for international shipments.

Application Scenarios

Customer Concern	How We Solve It
High shipping cost for rigid gift boxes	The foldable structure allows flat-pack shipping, reducing carton volume and freight expenses.
Limited warehouse storage space	Flat-packed boxes require less storage area compared with traditional rigid packaging.
Need premium candle gift presentation	Floral printing, matte lamination, and gold foil logo create a luxury retail appearance.
Need safe packaging for multiple candles	The 4-slot PET insert securely separates each candle and protects products during delivery.
Want easy assembly after delivery	The pre-designed folding structure allows quick assembly without complex equipment.
Need customized packaging for fragrance brands	We provide custom sizes, printing, logos, inserts, and finishing options.
