With a sophisticated black exterior, durable tuck-bottom structure, and customizable logo printing, this box combines elegance, functionality, and brand visibility for unforgettable gifting and retail experiences.

Key Features

Tuck-Bottom Structure for Stability

Heavy-Duty Design:

Reinforced tuck-bottom closure provides superior load-bearing capacity (holds up to 3kg), ideal for candles, skincare sets, or heavy cosmetic bottles.

No glue or tape required—simply fold the bottom flaps for quick, secure assembly.

Rigid Cardboard Construction:

350gsm-500gsm black kraft or white cardboard with a smooth matte finish, ensuring durability during transit and shelf display.

Luxurious Black Aesthetic

Timeless Sophistication:

Deep black color conveys luxury, elegance, and mystery, perfect for high-end candles, perfumes, or niche cosmetic brands.

Versatile for any theme: minimalist, gothic, or modern chic.

Customizable Finishes:

Gold/silver foil stamping on logos, product names, or decorative elements (e.g., star patterns, floral motifs).

Embossing/debossing for tactile appeal (e.g., raised candle motifs or brand monograms).

Spot UV varnish to create contrast (e.g., glossy logos on a matte black background).

Branding & Functional Customization

Full-Color Logo Printing:

High-resolution CMYK or Pantone® printing to match brand colors, ensuring consistency with your visual identity.

Add QR codes, ingredients lists, or social media handles for enhanced consumer engagement.

Interior Options:

Black velvet or foam inserts to secure candles and prevent wax damage during shipping.

Dividers for multi-product sets (e.g., candle + matches + skincare sample).

Size Variations:

Size customized according to the product

Custom: Adjustable dimensions for irregular shapes (e.g., pillar candles, cosmetic palettes).
