Customization Process

Step	Action
Step 1: Inquiry & Requirement Confirmation	Share your design ideas, box size, printing details, and order quantity
Step 2: Artwork & Design Approval	We create a digital mockup based on your specifications for review
Step 3: Sample Production	Pre-production sample made for design, print quality, and fit verification
Step 4: Mass Production	Full production begins with strict quality control checks
Step 5: Quality Inspection & Packaging	Finished boxes undergo final inspection before shipment packing

Step 6: Delivery & Follow-Up	Shipping arranged with tracking information provided

Frequently Asked Questions

Can I change the number of recesses in the foam insert?

Yes! The foam insert can be customized with different sizes and quantities of recesses to fit your specific products, such as eggs, candies, or cosmetics.

Is the box suitable for direct food contact?

Yes, we use food-grade paperboard and safe printing inks that comply with international food safety standards, making it safe for chocolate, candies, and other edible items.

Can I add my own logo or custom artwork?

Absolutely! We offer full-color CMYK printing, Pantone color matching, and custom embossing/debossing to showcase your brand logo and designs.

What is the minimum order quantity (MOQ)?

Our MOQ varies based on customization needs, starting from as low as 500 units for standard designs. Please contact us for a quote tailored to your order volume.

How long does it take to receive a sample?

Pre-production samples typically take 5-7 working days, depending on the complexity of your design.
