Product Description

Luxury Custom Gift Box Portable Handle Packaging Folding Box With Magnetic Closure And UV Printing Production

Custom Leopard Print Magnetic Folding Rigid Gift Box

The **Leopard Print Magnetic Folding Rigid Gift Box** is a premium foldable rigid packaging solution combining luxury presentation, space-saving design, and convenient assembly. Featuring an integrated folding structure with a self-locking triangular support system, this gift box requires **no glue and no additional accessories**. It can be quickly assembled after unfolding and completely flattened when not in use, helping brands reduce storage space and transportation costs.

The exterior features a fashionable **retro leopard print pattern**, creating a bold and distinctive visual identity. The interior is lined with elegant **burgundy specialty paper**, forming a luxurious contrast between exterior and interior colors.

A hidden magnetic closure system provides smooth opening experience and secure closure. The square rigid box structure is suitable for packaging **cosmetic sets, niche perfumes, luxury jewelry, fashion accessories, trendy collectibles, customized souvenirs, and beauty tool kits**.

Core Selling Points

Foldable Rigid Structure | Space-Saving Packaging Solution

Unlike traditional rigid boxes, this folding gift box adopts an innovative collapsible structure that can be stored completely flat when unused. The self-locking triangular support design enables quick assembly without glue or extra accessories, reducing warehouse occupation and optimizing shipping efficiency for global brands.

Hidden Magnetic Closure | Premium Opening Experience

The flip-top lid integrates a concealed magnetic closure system, creating a clean and elegant exterior appearance. The optimized magnetic strength ensures smooth opening and reliable closing, preventing accidental opening during transportation while enhancing the luxury unboxing experience.

Fashion Leopard Print Design | Strong Brand Visual Identity

The entire exterior surface features a retro leopard pattern created through high-definition printing technology. The detailed pattern reproduction delivers rich colors and sharp edges, making the packaging highly recognizable and suitable for trendy beauty, fashion, and lifestyle brands.

Reinforced Paperboard Construction | Durable & Stable Protection

The box structure uses high-strength thick paperboard combined with reinforced layers. Precision die-cutting and creasing technology ensures folding areas remain durable after repeated assembly, while maintaining a rigid and premium box shape after formation.

Custom Design Flexibility | Tailored Packaging for Different Brands

The folding rigid gift box supports various customization options:

- Custom box dimensions
- Leopard pattern color adjustment
- Brand logo printing
- Interior paper color replacement
- Magnetic strength adjustment
- Structural modifications
- EVA / velvet inner tray customization

Application Scenarios

Application Scenario	Customer Concerns	Manufacturer Solutions
Cosmetic Gift Sets	Beauty products require premium packaging with strong visual appeal	Leopard print exterior and luxury interior lining enhance product presentation and brand value
Perfume Packaging	Fragrance bottles need secure packaging during shipping	Rigid structure and optional inner inserts provide stable product protection
Jewelry & Accessories	Small luxury items require elegant and compact packaging	Magnetic flip lid and customized inserts create a premium jewelry presentation
Fashion & Trend Products	Brands need unique packaging to attract younger consumers	Fashion leopard pattern creates strong visual recognition and shelf appeal
Cross-Border E-commerce Packaging	Shipping space and logistics costs are important concerns	Foldable structure reduces storage volume and improves transportation efficiency
Retail Store Display	Packaging needs to stand out on shelves	High-quality printing and rigid construction create an eye-catching display effect

Product Details

Item	Specification
Product Type	Leopard Print Magnetic Folding Rigid Gift Box
Box Structure	Foldable rigid flip lid box
Closure Type	Hidden magnetic closure
Folding Design	Self-locking triangular support structure
Assembly Method	No glue required
Exterior Material	High-strength paperboard with printed surface paper
Interior Material	Burgundy specialty paper lining
Printing Method	High-definition digital printing
Surface Finish	Matte lamination / Gloss lamination optional
Structural Feature	Flat-pack storage design
Protection Features	Scratch-resistant, moisture-resistant, fingerprint-resistant
Inner Insert Options	EVA / Velvet / Custom paper insert
Suitable Products	Cosmetics, perfume, jewelry, accessories, gift sets
Customization	Size, pattern, logo, color, structure, insert

Manufacturing Process

Step 1: Structural Design Confirmation

The packaging structure, folding method, dimensions, and product requirements are reviewed to ensure the box design matches the customer's application.

Step 2: Material Selection

High-strength paperboard, specialty wrapping paper, magnetic components, and optional inner tray materials are selected according to product requirements.

Step 3: Artwork Printing & Surface Finishing

The customized leopard pattern, brand logo, and other graphic elements are printed using high-definition printing technology. Optional finishing treatments such as matte lamination or gloss coating are applied for additional protection.

Step 4: Precision Die-Cutting & Creasing

Advanced cutting and creasing technology creates accurate folding lines and structural components, ensuring smooth assembly and long-term durability.

Step 5: Folding Structure Assembly

The magnetic closure components and folding support structure are integrated into the box body to achieve a stable self-locking design.

Step 6: Quality Inspection

Each finished box is checked for:

- Folding performance
- Magnetic closure strength
- Printing quality
- Surface finishing
- Structural stability

Step 7: Packing & Shipment Preparation

Finished folding rigid boxes are flattened or assembled according to customer requirements and packed securely for international transportation.

Packaging & Logistics

Item	Details
Packaging Method	Flat-packed or assembled packaging available
Outer Carton	Export-grade corrugated carton protection
Space Advantage	Foldable structure reduces warehouse and shipping volume
Shipping Methods	Express / Air Freight / Sea Freight / Railway Transportation
Sample Time	Plain sample: 1-2 working days; Customized sample: 4-7 working days
Mass Production Time	Normally 15-25 working days depending on order quantity
Quality Control	Inspection before shipment to ensure consistent production quality
International Shipping	Suitable for global B2B packaging supply

Frequently Asked Questions

Q1: Is this rigid gift box completely foldable?

Yes. The box adopts a collapsible rigid structure that can be folded flat when not in use, helping reduce storage and transportation space.

Q2: Does the box require glue during assembly?

No. The self-locking triangular support structure allows quick assembly without additional glue or accessories.

Q3: Can the leopard pattern be customized?

Yes. Customers can customize the leopard print colors, pattern style, and add brand logos or other graphic elements.

Q4: Can the magnetic closure strength be adjusted?

Yes. The magnetic system can be customized according to different product weights and opening preferences.

Q5: Can I add an inner tray inside the box?

Yes. EVA, velvet, molded paper inserts, and other customized inner supports are available according to your products.

Q6: Is this packaging suitable for international shipping?

Yes. The foldable design helps reduce shipping volume, while the reinforced rigid structure provides reliable protection during transportation.

Q7: Can you produce custom sizes?

Yes. We provide fully customized dimensions based on your product specifications and packaging requirements.
