Below's a detailed overview of their features, customization options, and factory capabilities:

I. 2-Piece Rigid Box Structure & Materials

A. Premium Rigid Construction

Rigid Cardboard Core:

1200–1600 GSM greyboard (rigid cardboard) for a sturdy, unyielding structure—resistant to bending or crushing, ensuring products stay protected.

Black Exterior Finish:

High-quality black paper wrap (matte, glossy, or textured) with options like:

Soft-Touch Coating: Velvety texture for a luxe feel.

Lamination: Scratch-resistant film to preserve the black finish during transit.

Interior Lining:

Customizable options: Black velvet, satin, or recycled paper (matching the exterior for a cohesive look, or contrasting gold/silver for drama).

B. Lid & Base Design

Snug Fit:

Precision-cut lid and base with a 1–2mm tolerance for a seamless, secure closure—no gaps or wobbling.

XL Sizing:

Available in extra-large dimensions (e.g., 18x12x6 inches, 24x18x8 inches) for oversized items like luxury hampers, electronics, or artwork.

Stackable Base:

Reinforced base panels for stable stacking in retail displays or storage.

II. Customization Options for Branding

A. Black Box Aesthetics

Logo & Graphics:

Foil Stamping: Gold, silver, copper, or holographic foil for logos, monograms, or text (e.g., "Luxury Collection" in gold foil on matte black).

Embossing/Debossing: Tactile branding (e.g., a raised brand crest or debossed pattern) for a subtle, premium touch.

UV Spot Coating: Glossy accents on specific design elements (e.g., highlighting a product image or border).

Textured Finishes:

Leatherette Wrap: Faux leather texture for a sophisticated, high-end look.

Linen or Canvas Paper: Matte black with woven textures for artisanal brands.

B. Interior Customization

Custom Inserts:

Die-cut foam, velvet-lined trays, or cardboard dividers to secure items (e.g., jewelry, watches, or electronic accessories).

Printed Interiors:

Brand messages, product stories, or patterns (e.g., a starry sky print for luxury fragrances) on the lid's inner panel.

Mirror Inserts:

Optional recycled glass or acrylic mirrors for cosmetics or jewelry boxes.
