Wild West Themed Rigid Perfume Gift Box

Premium Custom Print Vertical Hard Perfume Packaging Box With Red-Black Inner Insert For Men Fragrance

Core Selling Points

Unique Western Cowboy Silhouette Printing | Strong Brand Story-telling Visual

Features artistic black cowboy silhouette prints together with vintage-style "WILD WEST" typography. The distinctive graphic creates strong storytelling appeal, catches shoppers' eyes on retail shelves and delivers memorable unboxing experience for perfume end-users.

Contrasting Red-Black Inner Design | Exquisite Unboxing Ritual

Adopts eye-catching red-black interior contrast. Red inner frame matches custom-cut black insert with precise cavity for perfume bottles. It holds glass perfume bottles firmly, minimizes shifting during transit and prevents glass breakage and surface scratches.

Sturdy Rigid Box Construction | Anti-Deformation for Multi-Channel Use

Made of heavy-duty rigid board material. The box keeps upright shape without collapsing. It performs well for offline shelf display and e-commerce shipment, elevating the perceived value of men's perfume and themed fragrance products.

Full Range Customization Support | Flexible Brand Adaptation

Outer graphic patterns, printing colors, box dimensions and inner insert cavity sizes are all customizable. It can be adjusted to fit various perfume bottle shapes and sizes for personalized brand packaging projects.
