- Application: Candy, Cookie, Tea, Snacks And Dry Food
- Feature: Eco Friendly, Recyclable, Food Touch Safe, Lightweight, Portable
- Surface Finish: Natural Kraft Texture
- Highlight: **Cylinder Tube Box Food Safe, Recyclable No Lamination Kraft, Custom Size Candy Cookie Tube**

Product Description

Custom Kraft Paper Cylinder Tube Box for Tea Candy & Cookie Packaging

Our **custom kraft paper cylinder tube box** is a food-safe, eco-friendly packaging solution designed for candy, cookie, tea and other dry food products. Made from high-strength kraft paper with **no lamination**, this cylindrical tube offers a natural, rustic look while delivering reliable protection, and it is small, lightweight and easy to carry - perfect for retail, gift sets and on-the-go snacking.

Eco-Friendly & Recyclable

No Lamination: Pure kraft paper surface without plastic film coating, making the tube 100% recyclable and biodegradable.

Fully Recyclable: Single-material construction simplifies recycling and reduces plastic waste.

Compostable: Natural kraft paper degrades naturally at end of life, supporting zero-waste brand goals.

Sustainable Sourcing: FSC-certified paper stock with responsible forest management.

Food Touch Safe Soybean Ink Printing

Soybean Ink Technology: Eco-friendly soybean-based ink replaces petroleum-based ink, with vivid colors and low VOC emissions.

Food Contact Safe: Non-toxic soybean ink is food touch safe, compliant with food-grade packaging standards for direct contact with candy, cookie and tea.

Odor-Free: No chemical smell, protecting the natural aroma of your food products.

Vivid Custom Printing: Full-color logos, brand patterns and fine text with excellent sharpness.

Fully Customized Printing & Size

Custom Size: Diameter 20-150mm, length 30-500mm and wall thickness made to your specification.

Custom Printing: Artwork printed outside, inside or both sides of the tube.

Custom Structure: Slide-on lid, cap closure, tuck end or sealed bottom options.

Custom Quantity: Flexible MOQ from market testing to mass production

Packaging & Logistics

Stage	Description
Inner Packing	Each tube packed in a PE bag or individually wrapped per your requirement to prevent scratches and dust.
Carton Packing	5-layer reinforced corrugated cartons, multi-layer stacking with anti-pressure design, standard export grade.
Palletizing	Cartons loaded on export pallets and wrapped with stretch film for moisture and shock protection.
Marking	Shipping marks on cartons: product name, quantity and destination for easy customs clearance.
Sample Lead Time	3-5 working days for samples after artwork confirmation.
Production Lead Time	7-15 working days for bulk production after deposit and artwork confirmation.
Shipping	Sea freight, air freight or express (DHL/FedEx/UPS) by customer choice; tracking number provided.

Customization Process - From Inquiry to Delivery

Step	Process	Customer Notes
1. Inquiry	Send your requirements: size, quantity, artwork and structure.	Provide accurate size and quantity; free samples available for evaluation.
2. Quotation	We offer structural drawing, material proposal and quotation within 24 hours.	Confirm material, structure and printing process before ordering.
3. Sampling	Physical sample produced for your confirmation.	Approve sample before mass production to avoid rework.
4. Order & Payment	Sign contract and pay deposit (30% T/T or other agreed terms).	Keep the contract and payment record; confirm the balance payment terms.
5. Production	Mass production with progress updates.	Notify us immediately if any change is needed during production.
6. QC & Packing	Full inspection before shipment and export packing.	Pre-shipment inspection or photo/video confirmation available on request.
7. Shipping	Sea, air or express delivery with tracking number.	Provide correct consignee address; track your shipment in time.
8. Delivery	Receive goods and check quantity and quality.	Report any quality or quantity issue within 7 days after receipt.

Why Choose Us

ISO 9001:2015 certified factory with strict quality control on every batch.

Free samples for quality evaluation before bulk orders.

Professional design support from artwork to production-ready files.

Stable production capacity of 500,000 pieces per month with on-time delivery.

Get your personalized size & artwork solution, send inquiry for free quotation & sample support.
