Product Description

Economical Foldable Card Box with Ribbon Tag for Clothing and Skin Care Sets

Retail-Ready Folding Packaging at a Friendly Price

As an experienced paper box manufacturer, we build this economical foldable card box with a custom ribbon tag that turns a simple folding carton into a shelf-ready package. It suits clothing, apparel accessories and skin care sets, and slots easily into any custom packaging box programme.

Made on automated machine lines, every unit keeps consistent die-cutting, clean edges and a self-locking bottom. The flat shipping structure lets boxes travel flat and assemble in seconds, cutting shipping cost and warehouse space for fast-moving wholesale buyers.

Choose this cardboard gift box when you need dependable quality at volume pricing for apparel and beauty brands.

Product Features & Benefits

Feature	Specification	Customer Benefit
Ribbon Tag Detail	Custom woven or satin ribbon tag	Adds a boutique touch that lifts perceived value at low cost
Machine Made Box	Automated die-cutting and folding	Consistent quality and stable lead times for large orders
Flat Shipping Structure	Shipped flat, self-locking assembly	Cuts shipping cost and saves warehouse space
Economical Board	250gsm-350gsm coated cardstock	Budget price without losing print quality
Eco Friendly Packaging	Recyclable, FSC board on request	Supports your sustainability story
Custom Printing	CMYK / Pantone offset	Brand colors reproduced accurately

Why Choose This Foldable Card Box?

- Ready-to-shelf ribbon tag included
- Machine made for consistent quality
- Flat packed to reduce shipping and storage cost
- Economical price for volume buyers
- Works as a cosmetic packaging box and a perfume packaging box

Holiday Box Usage Scenarios — Concerns & Solutions

Usage Scenario	Customer Concern	How Our Box Solves It
Skin Care Gift Box (品)	Holiday buyers want a premium look and safe glass bottles	Folding carton with custom inserts and full-color printing raises perceived value
Perfume Gift Box (香水)	Needs a sturdy box that survives shipping and gifting	Reinforced self-locking base with foil finish delivers a luxury gift box feel
Soap Packaging Box (肥皂)	Retailers want eco-friendly, moisture-safe soap packaging	Eco friendly packaging board with tight folding structure keeps soap fresh
Clothing & Apparel	Neat retail look at low cost	Ribbon tag detail creates a boutique shelf presence
Festival & Holiday Set	Seasonal peaks demand fast turnaround	Machine made and flat packed for quick, high-volume delivery

Paper Box Buying FAQ

What is the minimum order quantity for a printed paper box?

For this economical box we normally start at 500 pieces; larger volumes bring a lower unit price.

Can I add my logo and brand colors?

Yes. Any custom logo box is printed by CMYK or Pantone so colors stay consistent across batches.

How long does sampling and production take?

Sampling takes about 3-7 working days and mass production 15-25 days after sample approval.

How is the price calculated?

Price depends on size, board, printing and quantity. Send your spec and we will quote the same day.

Do you ship flat to save cost?

Yes. Boxes ship flat and are assembled on site, reducing freight and warehouse space.

Packaging & Logistics

Packaging Method	Flat-packed export cartons by a trusted packaging supplier
Inner Protection	Protective paper and poly bag
Outer Carton	Strong corrugated carton for wholesale packaging box shipment
Loading Efficiency	Flat structure maximizes container utilization
Sample Lead Time	3-7 working days
Production Lead Time	15-25 working days
Shipping Method	Express, air freight, sea freight
Global Delivery	Worldwide shipping available
Quality Inspection	100% QC before shipment

Customization Process — From Inquiry to Delivery

Step	Process	Customer Notes
1	Send Inquiry	Share product size, quantity, artwork and target market so we can quote fast.
2	Packaging Consultation	Confirm material, structure and finishing; ask about eco friendly and budget options.
3	Quotation & Sample Offer	Review unit price, MOQ and freight; confirm sample requirement.
4	Artwork Submission	Provide AI, PDF, EPS or PSD files; check bleed and Pantone colors.
5	Dieline & Prepress Proof	Approve the dieline and window position before printing.
6	Sample Production	Verify size, structure, print and finish on the physical sample.
7	Sample Approval	Give final written approval and confirm mass production quantity.
8	Mass Production	Confirm lead time; request progress photos during production.
9	Quality Inspection	Review QC report; 100% inspection before shipment.
10	Packing & Shipping	Confirm shipping method, marks and documents before dispatch.
11	Receive Goods	Check cartons on arrival and give feedback for the next order.
