Product Description

Custom Folding Card Box with Clear Window Display for Skin Care and Perfume Sets

Let the Product Sell Itself Through a Clear Window

Working as a one-stop gift box supplier, we produce this custom printed boxes line with a clear PVC window so shoppers can see the product inside without opening the lid. It is a natural fit for skin care sets, perfume and soap packaging where visibility drives the sale.

Our cardboard packaging box runs on machine made lines for accurate window patching and crisp folding. Because the folding carton box ships flat, you save shipping cost and warehouse space while keeping a premium rigid-look finish with foil and spot UV.

Ask for an eco friendly paper box option when sustainability is part of your brand promise.

Product Features & Benefits

Feature	Specification	Customer Benefit
Clear Window Display	Die-cut PET / PVC window	Shows the product inside for faster buying decisions
Folding Card Structure	Flat-packed self-locking carton	Saves shipping cost and warehouse storage space
Machine Made Precision	Automated window patching	Uniform window position every batch
Custom Logo Packaging	CMYK / Pantone, foil, spot UV	Strong shelf branding on every box
Moisture-Safe Option	Lamination and tight folds	Protects soap and skincare goods

Why Choose This Window Folding Box?

- Clear window to display the inside product
- Machine made for precise window cutting
- Flat shipping structure saves cost and space
- Strong as a cosmetic packaging supplier solution for beauty sets
- Custom sizes, printing and finishes

Holiday Box Usage Scenarios — Concerns & Solutions

Usage Scenario	Customer Concern	How Our Box Solves It
----------------	------------------	-----------------------

Usage Scenario	Customer Concern	How Our Box Solves It
Skin Care Gift Box (品)	Holiday shoppers want to see what is inside	Clear window reveals bottles and jars while inserts hold them neatly
Perfume Gift Box (香水)	High-value bottle needs a premium, safe presentation	Window plus foil finish from a perfume box manufacturer elevates the gift
Soap Packaging Box (肥皂)	Wants eco-friendly, hygienic soap packaging	Eco friendly paper box board with tight folds keeps soap clean and dry
Gift Set Display	Needs shelf impact in retail	Window spotlights the product for instant attention
Festival & Holiday Set	Seasonal demand with tight deadlines	Machine made, flat packed production scales quickly

Paper Box Buying FAQ

Can the window shape and size be customized?

Yes. The window can be any shape, and we will advise the best size for your product and artwork.

Which products suit a window folding box best?

Skin care sets, perfume, soap and gift sets where seeing the item adds value.

What is the usual MOQ and lead time?

MOQ is about 500 pieces; sampling 3-7 days and production 15-25 days.

Will the box protect the product during shipping?

Yes. Rigid board with inserts and flat-packed cartons keep goods safe in transit.

Can you match a specific Pantone color?

Yes. Send your Pantone reference and we will match it on the printed cardboard box.

Customization Process — From Inquiry to Delivery

Step	Process	Customer Notes
1	Send Inquiry	Share product size, quantity, artwork and target market so we can quote fast.
2	Packaging Consultation	Confirm material, structure and finishing; ask about eco friendly and budget options.
3	Quotation & Sample Offer	Review unit price, MOQ and freight; confirm sample requirement.
4	Artwork Submission	Provide AI, PDF, EPS or PSD files; check bleed and Pantone colors.
5	Dieline & Prepress Proof	Approve the dieline and window position before printing.
6	Sample Production	Verify size, structure, print and finish on the physical sample.
7	Sample Approval	Give final written approval and confirm mass production quantity.
8	Mass Production	Confirm lead time; request progress photos during production.
9	Quality Inspection	Review QC report; 100% inspection before shipment.
10	Packing & Shipping	Confirm shipping method, marks and documents before dispatch.
11	Receive Goods	Check cartons on arrival and give feedback for the next order.
