Product Description

Round Chocolate Gift Box with Magnetic Closure and Gold Interior

Why Brands Choose This Round Chocolate Box

A custom chocolate box should protect delicate pieces and tell your brand story at a glance. This round chocolate gift box pairs a strong magnetic chocolate box closure with a luxurious gold interior, so every unboxing feels premium from the very first touch.

Every luxury chocolate packaging project is built around your own dimensions, brand colors and artwork, helping your chocolate gift box stand out on the shelf and in online stores. A clear lid plus a food-safe tray keep each piece steady, which is exactly what wholesale chocolate boxes need for long-distance shipping and retail handling.

Whether you order a single trial sample or a full production run, our team supports chocolate box with tray customization, foil logo printing and flexible trial quantities.

Feature	Description	Benefit
Round Silhouette	Elegant circular body for single or assorted pieces	Strong shelf appeal and gift-ready look
Magnetic Closure	Hidden magnets snap the lid firmly shut	Secure, reusable luxury feel
Gold Interior	Metallic gold inside lining	Premium presentation that frames the product
Food-Safe Tray	Food-grade insert holds each piece	Prevents movement and product damage
Custom Logo	Foil, silk-screen or digital printing	Builds brand recognition at unboxing

Usage Scenarios & How the Box Solves Customer Concerns

Application Scenario	Customer Concern	How This Box Solves It
Chocolate Gifting & Holidays	Gift must look luxurious and travel safely	Gold interior and rigid body create a premium gift feel, while the tray holds pieces firmly
Macaron Packaging	Fragile shells easily crack in transit	The food-safe tray cushions each macaron and stops sliding, reducing breakage
Boutique Retail	Needs strong shelf presence	Round shape plus magnetic closure draws attention and invites handling
Corporate Gifts	Brand must be visible and professional	Custom foil logo printing places your brand front and center
Online & Shipping Orders	Packaging must survive courier handling	Rigid paperboard with tray insert resists crushing during transport

FAQ - Common Paper Box Sourcing Questions

Q1: What is the minimum order quantity (MOQ)?

Our MOQ is 500 pieces per design. Smaller trial quantities are available for a paper chocolate box sample run before mass production.

Q2: Can I print my own logo and artwork?

Yes. Foil stamping, silk-screen and digital printing are all supported, so your logo can be placed on the lid, sides or interior.

Q3: Are the materials food-safe and eco-friendly?

The tray is food-grade and compliant with EU and US requirements, and we offer recyclable, eco-friendly chocolate box options.

Q4: How long does a sample take?

A digital mockup is ready in 1-2 days; a physical sample takes about 5-7 days after artwork approval.

Q5: Do you support OEM and ODM?

Yes, we provide both OEM and ODM service as a dedicated chocolate packaging supplier, from structure design to finished box.

Packaging & Logistics

Stage	Packing Details	Quantity	Lead Time	Notes
Inner Packing	Each box wrapped in protective film	1 pc	Immediate for stock	Protects against dust and moisture
Master Carton	Export-grade corrugated carton	50 boxes/carton	7-10 days (stock) / 18-25 days (custom)	Carton marks and shipping labels applied
Air / Courier	DHL / UPS / FedEx	Sample to medium orders	3-7 days to US / EU	Tracking number provided
Sea Freight	FCL or LCL	Bulk / full container	About 25-35 days	Most cost-effective for large rigid chocolate box orders

Custom Order Process

Step	Activity	Customer Notes
1. Inquiry	Send your requirements	Share size, quantity, logo and target market clearly
2. Quotation	Receive price and artwork solution	Confirm material and finish before sampling
3. Artwork & Sample	Review mockup / physical sample	Approve artwork and sample in writing
4. Order & Deposit	Place order and pay deposit	Check the PI details and payment terms carefully
5. Bulk Production	Mass production of your personalized chocolate packaging	Keep in touch for production progress updates
6. Quality Inspection	QC and packing	Request inspection photos or report
7. Shipment	Arrange courier or sea freight	Confirm shipping method and delivery address
8. Delivery	Receive your boxes	Inspect goods on arrival and give feedback
