Product Description

Double-layer Stacked Ribbon Bow Chocolate Gift Box

Premium double-layer stacked rigid gift box with elegant ribbon bow decoration, specially designed for chocolate, desserts, and premium snack gift packaging.

Product Overview

This high-end gift box features a unique top-and-bottom lid structure with two independent rigid boxes that stack neatly. Constructed from thickened greyboard and covered with matte art paper, the set is tied with wide custom satin ribbon and decorated with an elegant large bow for a luxurious visual presentation.

The lower box features a warm yellow tone while the upper box is warm orange, complemented by red dashed line decoration. The custom brown satin ribbon is printed with brand name "JOHN & KIRA'S" and brand slogans, showcasing fine stitching texture and premium thickness.

Supports CMYK full-color printing, hot stamping, UV coating, and other custom crafts to display brand logos, stories, and product information. All box sizes, color schemes, ribbon colors, printing content, and surface finishes are fully customizable.

Core Features

- Double-layer Stacked Structure:** Two independent rigid boxes create unique tiered display effect with strong visual hierarchy
- Custom Printed Satin Ribbon Bow:** Thickened wide satin ribbon with brand customization and elegant bow decoration
- Vibrant Custom Color Printing:** Warm orange and yellow color matching with decorative dashed line printing
- Sturdy Thick Greyboard Material:** High-density construction ensures durability and deformation resistance

Applications & Solutions

Application Scenarios	Customer Concerns	Our Solutions
High-end Handmade Chocolate Gift Sets	Need luxurious packaging to enhance product premium value	Double-layer stacked rigid box with custom printed ribbon bow and warm color matching
Holiday & Wedding Gift Favors	Finished gifts need no secondary packaging	Integrated gift-style design with bow decoration for direct gifting
Supermarket & Retail Display	Packaging needs unique shelf presence	Exclusive double-layer stacked structure improves shelf recognition
Corporate Business Gift Sets	Need multi-position brand display	Custom printable box surface and ribbon for dual brand promotion

Shipping Method	Air freight, sea freight, DHL, FedEx, UPS international express
Shipping Protection	Buffer filling materials to avoid box extrusion, deformation and bow damage
Packing Feature	Layered stacking packing to protect box printing surface and ribbon bow shape

Frequently Asked Questions

Can the two boxes be customized in different sizes?

Yes. The size, height and width of the upper and lower boxes can be customized independently to create exclusive stacked effects.

Can I print my own brand logo and text on the ribbon?

Absolutely. Ribbon color, width, printed logo and brand slogan are all fully customizable.

Can you add inner paper trays to fix chocolates?

Yes. Custom paper trays with exclusive slots can be tailored to fix chocolates, candies and desserts steadily.

What is the sample and mass production lead time?

Sample lead time: 5-7 working days. Mass production lead time: 12-18 working days after sample confirmation.

Is matte lamination available for the box surface?

Yes, matte lamination and glossy lamination are optional. Matte finishing delivers more high-end texture for premium food gift boxes.
