Product Description

Premium Double-Layer Stacked Rigid Gift Box

High-end double-layer stacked rigid gift box with top and bottom lid structure, specially designed for premium chocolate, desserts, and snack gift packaging. Features thickened greyboard construction with matte art paper covering for exceptional durability and luxury appeal.

Key Features & Benefits

- Double-Layer Stacked Structure:** Two independent rigid boxes that stack neatly, creating unique tiered display effects and enhanced visual hierarchy
- Custom Printed Satin Ribbon:** Premium wide satin ribbon with brand printing and elegant bow decoration for immediate gift-ready presentation
- Vibrant Custom Printing:** Warm orange and yellow color schemes with decorative dashed lines, supporting full-color CMYK printing and special finishes
- Sturdy Construction:** High-density thickened greyboard material ensures deformation resistance and protects delicate contents during transport

Applications & Solutions

Application	Solution Benefits
High-end Handmade Chocolate Gift Sets	Creates premium packaging visuals that enhance product value and consumer appeal
Holiday & Wedding Gift Favors	Finished gift-style design with integrated bow decoration for direct gifting
Retail Shelf Display	Unique double-layer structure improves shelf recognition and customer attraction
Corporate Business Gifts	Dual brand display opportunities on both box surface and custom printed ribbon

Product Specifications

Item	Specification

Customization Process

Step	Process Details
Step 1	Submit requirements: size, colors, logo, ribbon printing, surface finishes

Step 2	Receive quotation including unit pricing and sampling costs
Step 3	Approve design artwork and pre-production sample
Step 4	Mass production begins after sample confirmation and deposit
Step 5	Quality inspection, packaging, and delivery arrangement

Packaging & Shipping

Inner Protection: Individual PE bag packaging for dust-proof and scratch-proof protection

Outer Packaging: Export-grade 5-layer thickened corrugated cartons

Shipping Options: Air freight, sea freight, DHL, FedEx, UPS international express

Damage Prevention: Buffer filling materials and layered stacking to protect printing surfaces and bow shapes

Frequently Asked Questions

Can the two boxes be customized in different sizes?

Yes. The size, height and width of the upper and lower boxes can be customized independently to create exclusive stacked effects.

Can I print my own brand logo and text on the ribbon?

Absolutely. Ribbon color, width, printed logo and brand slogan are all fully customizable.

Can you add inner paper trays to fix chocolates?

Yes. Custom paper trays with exclusive slots can be tailored to fix chocolates, candies and desserts steadily.

What is the sample and production lead time?

Sample lead time: 5-7 working days. Mass production: 12-18 working days after sample confirmation.

Is matte lamination available for the box surface?

Yes, matte lamination and glossy lamination are optional. Matte finishing delivers more high-end texture for premium food gift boxes.
