Key Features & Selling Points

Custom Printed All Over — Full-color CMYK or Pantone printing on the entire surface to carry your brand artwork without extra cost.

Embossed Logo Branding — Raised embossing, debossing or gold foil stamping creates a tactile premium feel on the lid.

EVA Foam Tray Insert — Precision-cut foam holds jars, bottles and tubes firmly to avoid movement in transit.

Round Cylinder Structure — Distinctive round shape stands out on crowded retail shelves and cosmetic counters.

Material & Construction

Constructed from 1200gsm high-density rigid greyboard laminated with 157gsm coated art paper, giving strong corners and flat surfaces that resist crushing during long-term storage and sea freight.
