XL PACKAGING

Product Description

Foldable Corrugated Mailer Paper Packaging Boxes

These paper packaging boxes use a foldable corrugated mailer structure made from E-flute board. Shipped flat to save storage and freight, they assemble in seconds and give full-surface custom printing for strong e-commerce branding.

Hot Search Keywords: paper packaging boxes, corrugated mailer box, foldable shipping box, e-commerce packaging, custom printed mailer, E-flute corrugated box, flat pack shipping box, wholesale mailer box, eco shipping packaging, kraft mailer box, online store packaging, recyclable cardboard box

Key Features & Selling Points

Foldable Flat-packed Design — Ships flat to cut storage space and freight cost, and folds in seconds.

E-Flute Corrugated Strength — Light but rigid E-flute board protects goods during express delivery.

Full Custom Printing — Inside and outside print available for a branded unboxing experience.

Self-lock Closure — Secure tuck flap or self-lock closure keeps parcels tightly sealed.

Material & Construction

Made from recyclable E-flute corrugated board with optional kraft or white liner, offering an excellent strength-to-weight ratio for shipping parcels.

Application Scenarios & Solutions

Customer Concern	Our Solution	Best-fit Application
Reduce shipping volume	Flat-packed corrugated design	E-commerce and dropshipping
Brand the unboxing	Full-color inside and outside print	Online fashion and beauty stores

Ship to your warehouse or fulfillment center.

FAQ

Q: Are these mailer boxes strong enough?

A: Yes, E-flute corrugated board passes standard drop tests for light and medium goods.

Q: Can I print inside the box?

A: Yes, inside and outside printing are both supported.

Q: How much storage do they save?

A: Flat packing typically saves over 60 percent of storage space.

Q: What is the MOQ?

A: Normally 1000 pcs per design; trial orders can be negotiated.
