Product Description

Product Overview

This irregular semi-circle flip ribbon foldable gift box is suitable for makeup sets, fragrances, skincare products, jewelry, wedding favors, and holiday gift packaging. Constructed with thick rigid board wrapped in art paper, it features a distinctive semi-circular irregular shape. Full-frame oil-painting style floral printing can be applied both inside and outside the box. It comes with a black satin ribbon for carrying or binding, and an embossed logo is available on the box surface.

Adopting a foldable structure with built-in magnets, empty boxes can be packed flat for easy storage and quick assembly. We support CMYK 4-color printing, gold/silver hot stamping, UV coating, embossing, and lamination. Gift box dimensions, contour shape, floral artwork, ribbon color, and logo finishing are fully customizable. Ideal for beauty and fragrance brands, cross-border gift merchants, and luxury favor shops. Board thickness, wrapping paper material, ribbon style, and surface treatment can be adjusted upon request.

Core Selling Points

1. Unique Semi-circular Irregular Shape — Stand-out Brand Differentiation

Different from conventional square gift boxes, this semi-curved irregular design paired with full oil-painting floral prints delivers strong visual impact. It grabs customers' attention instantly during unboxing and on retail shelves to create distinctive brand packaging.

2. Foldable Magnetic Structure with Decorative Ribbon — Flat Shipment & Simple Assembly

Built-in hidden magnets ensure secure closure. The matching satin ribbon serves both decoration and carrying purposes. Empty boxes can be folded flat for shipment to save warehouse space and cross-border freight. Only simple folding is required for assembly after receipt.

3. All-over Floral Printing & Embossed Logo — Artistic Premium Tactile Texture

Full-color oil-painting floral graphics can be printed on both the exterior and interior. The embossed logo creates a raised 3D tactile effect. Matte or glossy lamination protects printed artwork, combining beautiful appearance with a delicate touch.

4. Multiple Customization Options — Versatile for Luxury Gift Scenarios

Fully customizable on box size, irregular outline, wrapping pattern, ribbon color, and surface crafts. Widely used for fragrance, skincare kits, jewelry, Valentine's Day, and birthday favors. Pre-production sampling service is available for design confirmation.

Frequently Asked Questions

Q1: Will the irregular semi-circle box deform easily after folding?

A1: We adopt thick rigid cardboard with professionally slotted and reinforced creases. It is not easy to deform under normal folding and transportation. Board thickness can be adjusted according to product weight.

Q2: Can I change the color and material of the ribbon?

A2: Yes. Multiple materials including satin ribbon and jute rope are available with customizable colors. Ribbon length can also be adjusted as requested.

Q3: Can embossed logo be combined with hot stamping?

A3: Yes. The combination of embossing and hot stamping is supported for stronger 3D visual effect and more luxurious appearance.

Q4: What are sample and bulk order lead times?

A4: Sample lead time: 5–7 working days. Mass production lead time: 12–18 working days after sample confirmation and deposit.

Q5: Can floral patterns be printed inside the box?

A5: Yes. CMYK full-color printing is available both inside and outside the box. Matching interior and exterior artwork design is supported.
