Product Description

Product Overview

This gradient spot color rigid lid & base multi-drawer advent calendar gift box (countdown blind box) is designed for packaging beauty samples, skincare sets, fragrances, makeup items, jewelry, candies and festive surprise blind box gifts. It is constructed with thick rigid board wrapped in art paper. The top lid features a dreamy pink-purple gradient finished by CMYK or spot color printing, without laser holographic effect. The box base comes in soft nude pink. Inside are multiple numbered pull-out mini drawers in mixed sizes arranged staggered, with separate storage space for each compartment.

We support CMYK 4-color printing, spot color gradient, gold / silver hot stamping, UV coating, embossing and lamination. The overall box dimension, drawer quantity, drawer size combination, color artwork, logo and number marks are all customizable. It is ideal for beauty & skincare brands, cross-border sellers, limited-edition holiday collections and social-media blind box merchants. Board thickness, wrapping paper material and surface finish can be adjusted on request.

Core Selling Points

1. Soft Gradient Printed Lid — Gentle Pastel Visual Style

The pink-purple soft gradient is achieved via CMYK or spot color printing for smooth color transition. It delivers a tender, romantic aesthetic. It photographs beautifully for social media marketing and live-stream display, building a cozy festive vibe without holographic laser treatment.

2. Mixed-Size Numbered Drawers — Layered Surprise Unboxing Experience

Independent pull-out drawers in varied sizes are equipped inside, instead of uniform compartments. They fit different-sized makeup and skincare samples. Numbered marks bring fun sequential opening, greatly enriching the countdown unboxing ritual.

3. Classic Lid & Base Rigid Structure — Sturdy & Premium Display

Adopting the classic rigid lid-and-base design with thick rigid board, the box keeps its shape well and is not easy to deform. It looks elegant on retail counters and live-stream shelves for great brand presentation.

4. Versatile Print & Finish Options — Customizable for Multiple Themes

A wide range of printing and finishing choices are available. Gradient tones, layouts, logos and drawer quantities can be freely modified. It adapts perfectly to Christmas, brand anniversary, Valentine's Day and other limited-edition gift sets.

Application Scenarios, Customer Concerns & Solutions

Application Scenarios	Customer Concerns	Our Solutions
Beauty & skincare advent countdown blind box sets	Attractive gentle look for social media promotion and live sales; space for samples of different sizes	Spot color gradient lid + mixed-size numbered drawers to hold assorted samples. Clean soft palette for high-quality photos
Anniversary / Valentine's limited gift boxes	Unique festive look while keeping controllable printing cost	Spot color gradient printing is more cost-effective than laser holographic options. Custom exclusive colors and slogans for bespoke limited packaging
Cross-border makeup & fragrance gift packaging	Durable box to protect fragile cosmetics; differentiated design to stand out on marketplaces	Thick rigid board lid & base; separated independent drawers to reduce collision and friction. Soft gradient appearance differs from common advent boxes
VIP thank-you gifts & fan gift packs	Flexible layout to match varied gift combinations	Customizable drawer quantity and individual drawer dimensions. Mix big and small drawers freely for different assortments

Frequently Asked Questions

Q1: Is this gradient a laser holographic effect?

A1: No. The gradient is printed with standard CMYK or spot color inks, without holographic laser film, bringing a more budget-friendly solution.

Q2: Can I change the quantity and size of inner drawers freely?

A2: Yes. Drawers can be made in identical size or mixed sizes. Quantity and layout are fully customizable according to your design.

Q3: Can I change the gradient color palette?

A3: Sure. Various gradient tones such as blue-purple, peach and muted Morandi shades can be realized by CMYK or spot color printing.

Q4: What are sample and bulk lead times?

A4: Sample lead time: 5–7 working days. Bulk production: 12–18 working days after sample confirmation and deposit received.

Q5: Can we add EVA or flocked inserts inside the small drawers?

A5: Yes. Custom inserts can be fitted into each pull-out drawer to fix bottled or tubular beauty products.
