Product Description

Product Overview

This magnetic flip gift box is designed for gift sets of mini canned tea, tonics, capsule food, chocolate, health drinks, and other canned products. It features a rigid board luxury magnetic flip structure for secure closure and an upscale opening experience. A custom circular blister insert firmly positions each small jar to prevent shifting and collision. We support CMYK 4-color printing, spot color printing, gold and silver hot stamping, UV coating, embossing, lamination, special paper mounting, and other finishing processes. The gift box size, color scheme, hot-stamped logo patterns, and the quantity and layout of holes on the insert are all customizable. It is ideal for tea brands, health tonic sellers, premium food manufacturers, and holiday gift suppliers. The surface paper, insert material, and surface finish can be adjusted according to your requirements.

Core Selling Points

Magnetic Flip Closure — Smooth & Premium Unboxing

Built-in hidden magnets enable automatic, tight closure. The rigid box delivers a solid, luxurious hand feel, perfectly matching high-end gifting scenarios.

Custom Blister Insert — Precise Positioning & Anti-Shock Protection

Molded circular cavities are tailored to the jar size. Each jar sits independently, avoiding scratches, shaking, and damage during transportation.

Rich Premium Finishing Options — Outstanding Brand Presentation

Hot stamping, embossing, and special texture paper are available. Logos and artwork look sophisticated — ideal for holiday and business gift packaging.

Flexible Custom Mold — Adapt to Various Gift Combinations

The hole count, hole diameter, and arrangement of the insert can be custom molded. It accommodates different quantities of jars for diversified gift set specifications.

Frequently Asked Questions

Q1: Can the blister insert be replaced with a flocked EVA insert?

A1: Yes. Blister, flocked EVA, and foam inserts are all available with custom molding.

Q2: Will the magnets lose magnetism quickly?

A2: We use high-quality hidden magnets. Magnetic force stays stable with normal repeated opening and closing.

Q3: Can I choose colors and papers other than red?

A3: Absolutely. Various special papers and custom spot colors are supported.

Q4: What are the sample and bulk lead times?

A4: Sample lead time: 5–7 working days. Bulk lead time: 12–18 working days after sample confirmation and deposit received.

Q5: Can the cavity layout be customized for my product quantity?

A5: Yes. We make exclusive molds based on your jar size and product quantity.
