Product Description

Product Overview

This dual-color tear-strip mailer box is designed for e-commerce retail, bath & body sets, gift favors, skincare & cosmetics, stationery gifts and small cross-border shipments. It is made of premium printed corrugated paper with a stylish grey-outside and bright-yellow-inside contrast finish. Equipped with an integrated self-adhesive tear strip, it requires no packing tape for sealing. Brand copy can be printed inside the box for a clean, minimalist look.

We support CMYK 4-color printing, spot color printing, gold / silver hot stamping, UV coating, embossing and lamination. The box length, width, height, interior & exterior color scheme, artwork, logo and tear strip style are all customizable. It is suitable for cosmetic brands, body care labels, online sellers and cross-border DTC merchants. Paper weight, corrugated flute and surface finishing can be adjusted on request.

Core Selling Points

1. Self-Sealing Tear Strip Design — Tape-Free Packing & Unboxing

Built-in tear-and-seal strip enables fast packing. Customers can open the box easily without scissors or tape. It streamlines fulfillment and delivers a neat, premium unboxing experience.

2. Inside-Out Contrast Color — Surprise Brand Reveal

The two-tone design creates an eye-catching reveal when opened. Custom brand messages printed on the inner panel strengthen brand impression and perform well for unboxing social content.

3. Lightweight Rigid Corrugated Board — Cost-Effective Shipping Protection

High-quality corrugated flute offers good crush resistance while keeping weight low to cut shipping costs. Boxes ship flat, which saves warehouse storage space.

4. Full-Surface Custom Printing — Build Unique DTC Brand Packaging

Logos, slogans and graphics can be printed on outer surfaces, inner panels and tear strips. Custom colors and artwork help brands stand out and boost social sharing.
