

Custom Printed Kraft Corrugated Box Flat Pack Collapsible Foldable Paper Box for Cosmetics Packaging

Our Product Introduction

Basic Information

- Place of Origin: Shenzhen, Guangdong, China
- Brand Name: Xianglong
- Certification: ISO 9001:2015, FSC, SGS
- Model Number: XL-FB-2610
- Minimum Order Quantity: 500 Pieces
- Price: \$0.65-\$1.80 / Piece
- Packaging Details: Poly bag plus export-grade corrugated carton, flat pack to cut freight cost
- Delivery Time: 5-7 days for samples, 15-20 working days for mass production
- Payment Terms: T/T, L/C, Western Union, Trade Assurance
- Supply Ability: 500000 Pieces per Month

XL PACKAGING

Product Specification

- Box Structure: Foldable Rigid Box With Paper Lock Closure, No Magnet
- Lamination: Matte Lamination, Recyclable Mono Material
- Printing: CMYK Offset Plus Pantone, Hot Foil, Embossing, Spot UV
- Flat Pack Thickness: 8-12mm Per Piece After Folding Flat
- Box Size: Customized, 100-400mm Length Range
- Recyclability: Paper Based, Plastic Free, EU PPWR Compliant
- MOQ Per Size: 500 Pieces
- Highlight: **Plastic Free Foldable Paper Box, Mono Material Recyclable Kraft Box, Paper Lock Closure Flat Pack Box**

XL PACKAGING

Product Description

Core Selling Points

E/B Flute Corrugated Construction — Superior Shock & Compression Resistance

Made of surface paper laminated with E-flute or B-flute corrugated board. The fluted core provides cushioning performance, stronger anti-pressure and anti-collision protection than plain white card boxes, keeping products safe during transit.

Flat Foldable Design — Cut Down Storage & Shipping Cost

This collapsible carton ships flat. It occupies less warehouse space and greatly reduces freight cost, and is convenient for automatic packaging.

Diverse Printing & Finishing Options — Eye-catching Brand Presentation

Supports CMYK full-color printing, matte/gloss lamination, hot foil stamping, UV coating, embossing and window cutout. It helps display your brand pattern and attract consumers on retail shelves.

Cost-effective & Eco-friendly — Wide Compatibility

Much lower cost compared with rigid greyboard gift boxes. Made of recyclable paper materials. Suitable for electronics, cosmetics, food, gifts, hardware and e-commerce packaging.

Flexible Structural Styles — Customizable Box Shape

Multiple optional structures including straight tuck end, auto-lock bottom, mailer airplane box and window box. We tailor the box style according to your product size.

Application Scenarios

Usage Scenarios	Customer Concerns	Our Solutions
E-commerce delivery packaging	Need affordable packaging with anti-crush protection	Adopt E/B flute corrugated pit paper, good cushioning performance at a friendly price
Supermarket retail shelf display	Want bright, delicate printing to grab customer attention	CMYK full-color printing, optional lamination, hot stamping and PVC window design
Food & snack packaging	Require safe, non-toxic and eco packaging materials	Food-grade surface paper and soy-based printing ink, fully recyclable
Small hardware & electronic accessory packaging	Worried about product scratches and impact damage	Thicker B-flute selection, customizable paper dividers for separate placement
Promotional gift packaging	Hope to print brand logo and exclusive artwork	Custom graphics, brand hot stamping and various surface finishing processes

Product Details

Item	Specification Detail
Product Name	Custom Printed Corrugated Pit Paper Carton
Material	Coated art paper / kraft liner + E-flute / B-flute corrugated pit paper
Box Structure	Straight tuck end, auto-lock bottom, mailer airplane box, window box
Printing	CMYK offset printing
Surface Treatment	Gloss / matte lamination, hot foil stamping, UV coating, embossing, spot varnish
Size	Fully customized based on your products
MOQ	Negotiable, small trial orders are welcome
Sample Lead Time	3–5 working days
Mass Production Lead Time	7–15 working days after sample confirmation

Customization Steps

Step	Customization Process	Description
Step 1	Send us your requirements	Provide box dimension, flute type, box structure, artwork, quantity and finishing needs
Step 2	Quotation & die-cut line draft	We prepare a formal quotation and structural die-line for your design layout
Step 3	Pre-production sample making	Produce a printed sample to check color, size and box structure
Step 4	Sample approval & deposit payment	Confirm sample quality, pay deposit to launch mass production
Step 5	Bulk production & shipment	Complete printing, die-cutting, quality inspection, then pack for delivery

Packaging & Logistics

Item	Details
Inner Packing	Cartons folded flat and bundled, wrapped with protective film to avoid scratches
Outer Packing	Export standard 5-layer corrugated master carton
Reinforcement	Edge protectors available for heavy bulk orders
Shipping Options	Express courier, air freight, sea freight
Shipping Port	Shenzhen / Guangzhou
Quality Control	Random pre-shipment inspection before packing

Frequently Asked Questions

Q1: What flute types can I choose?

A1: E-flute and B-flute are the most common. E-flute has a smooth surface for fine printing for retail gifts; B-flute is thicker with better compression resistance for shipping.

Q2: Can I add a transparent window on the corrugated pit box?

A2: Yes. We can cut openings and fit PVC or PET clear window film as you require.

Q3: Is a corrugated pit box cheaper than a rigid greyboard gift box?

A3: Definitely yes. It is a budget-friendly option for mass shipping and retail packaging.

Q4: Do you support food-safe printing for food packaging?

A4: Yes. We use food-grade paper and soy ink that comply with food packaging requirements.

Q5: What is an auto-lock bottom structure?

A5: The auto-lock bottom can be folded and locked quickly without extra tape, improving your packing efficiency.

Send us your box size, artwork and quantity now! Our packaging team will provide a free die-line, mock-up and competitive quotation promptly. Start your custom corrugated pit paper box order today.
