Product Description

Product Overview

A recyclable, plastic-free kraft display gift box engineered for soap, candle and skincare gift sets. Featuring a large clear PVC viewing window, a rigid greyboard base-and-lid construction and a custom PET blister insert, it delivers premium presentation with dependable product protection.

Large PVC Window Design — Visible Product Display: The large front PVC window lets customers view the gift set inside directly, showcasing product texture without opening the box and encouraging purchase.

Rigid Greyboard Base & Lid Structure — Premium & Sturdy Shape: Built from thick rigid greyboard with a top-and-bottom lid construction. The box holds a neat, upright shape and resists bending or deformation for a luxury unboxing experience.

Custom PET Blister Insert — Secure Product Protection: Fitted with a custom clear PET blister tray that contours precisely to the products, holding items firmly for shock and scratch resistance during transit.

Rich Decorative Options — Fully Customizable Look: Supports printing, hot stamping, embossing and other finishing processes. Patterns, box sizes and blister shapes can all be adjusted to match brand style and holiday themes such as Christmas.

Wide Application — Ideal for Gift Sets: Perfectly suited for perfume collections, makeup and skincare gift sets, seasonal holiday gifts and limited-edition promotional packaging.

Application Scenarios

Usage Scenarios	Customer Concerns	Our Solutions

Frequently Asked Questions

Q1: Can I customize the printing pattern on the box?

Yes. We support custom artwork, brand logos, holiday patterns and multiple surface finishes including hot stamping and embossing.

Q2: Is the PET blister insert reusable and safe for cosmetic and perfume products?

Our PET blister is non-toxic, clean and stable. It fits cosmetic and fragrance packaging requirements perfectly.

Q3: What is your minimum order quantity?

MOQ is flexible. Small trial orders are welcome, but the unit price will be higher for low quantities.

Q4: How long will it take to get a sample?

Sample lead time is around 3–7 working days after we confirm your design file.

Q5: Can you adjust the size of the PVC window?

Absolutely. The window shape, position and size can be modified to fit your display needs.

Q6: What if my perfume bottles have different shapes?

We can make new blister molds to create cavities matching the unique shape of your bottles.
