Product Description

Custom Perfume Carton Box | Black Card And Gold Foil Packaging

Product Description

Elevate your fragrance packaging with this custom perfume carton box, crafted from 350gsm recyclable black cardstock. Featuring elegant white printing combined with full gold foil stamping, this luxury folding carton creates a striking black-and-gold contrast with a sophisticated vintage aesthetic.

The cactus illustrations, brand name, and logo are highlighted with metallic gold foil, giving the packaging a distinctive premium appearance. The one-piece folding carton structure can be shipped flat to save storage and transportation costs, while allowing for quick and easy assembly.

Ideal for perfumes, fragrance bottles, essential oils, and luxury beauty gift sets, this custom printed perfume box can be fully personalized with your preferred dimensions, artwork, printing colors, foil stamping, embossing, and other finishing options.

Key Features & Benefits

350gsm Recyclable Black Cardstock — Eco-Conscious Packaging

Made from 350gsm black cardstock, this perfume folding carton offers a sturdy structure and a premium appearance. The recyclable paperboard material provides an attractive packaging solution for fragrance brands looking for more environmentally conscious packaging options.

Full Gold Foil Stamping — Premium Metallic Finish

The cactus illustrations, brand logo, and typography are enhanced with gold foil stamping. The metallic finish creates an eye-catching contrast against the black background, adding a luxurious and distinctive look to your perfume packaging.

White Printing on Black Card — Striking Visual Contrast

Custom white printing complements the black cardstock and gold foil details, creating a layered visual effect. This combination helps product information, brand elements, and decorative graphics stand out clearly.

One-Piece Folding Carton — Flat Shipping & Easy Assembly

Designed with a practical folding carton structure, the box can be supplied flat-packed to reduce storage requirements and shipping volume. Its straightforward assembly makes it convenient for brands, distributors, and packaging fulfillment operations.

Fully Customizable Design — Tailored to Your Brand

Customize the box size, shape, artwork, white printing, gold foil coverage, and surface finishing. Optional embossing and other decorative techniques can further enhance your brand identity and create distinctive luxury fragrance packaging.

Applications & Packaging Solutions

This custom black and gold perfume carton is suitable for premium fragrance products, beauty collections, and gift packaging.

Frequently Asked Questions (FAQ)

Q1: Can I customize the size of this perfume carton box?

Yes. We offer fully customized dimensions according to your perfume bottle size and packaging requirements. Simply provide your product measurements, and we can recommend a suitable box size.

Q2: Is the 350gsm black cardstock recyclable?

Yes. The box is made from recyclable paperboard. Please note that the final recyclability of the finished packaging may depend on the foil stamping, coatings, and local recycling facilities.

Q3: Can you print white ink on black cardstock?

Yes. White printing is available and can be combined with gold foil stamping to create a striking visual contrast and enhance your brand graphics.

Q4: Is the gold foil stamping applied to the entire box?

The gold foil stamping coverage can be customized according to your artwork. Logos, brand names, illustrations, decorative patterns, or larger design areas can be finished with metallic gold foil.

Q5: Can I add embossing to the logo?

Yes. Embossing and debossing are available as optional finishing techniques. They can be combined with gold foil stamping to create a more dimensional and premium brand presentation.

Q6: Does the box come assembled or flat-packed?

The box is supplied flat-packed for convenient storage and transportation. Its one-piece folding structure allows easy assembly when needed.

Q7: Can I order a sample before placing a bulk order?

Yes. We recommend approving a physical sample before mass production. Custom samples typically take 3–5 business days.

Q8: What is the mass production lead time?

The estimated mass production lead time is 10–15 business days after artwork and sample approval. The exact schedule depends on order quantity and production requirements.

Q9: What information do I need to request a quotation?

To receive an accurate quotation, please provide:

- Box dimensions (Length × Width × Height)
- Estimated order quantity
- Paper material and thickness
- Printing and finishing requirements
- Shipping destination

Our packaging team will evaluate your requirements and provide a suitable quotation.
