Product Description

Foldable Magnetic Wine Gift Box for Two Bottles

A double-bottle gift box that ships flat and assembles into a rigid magnetic case. The moulded pulp cradle separates and locks both bottles at the shoulder and base, so 750ml Bordeaux, Burgundy and champagne shapes all travel safely in the same inner tray. Designed for wineries, liquor distributors and gift-set programmes that need premium presentation at export-friendly freight cost.

Why this structure sells

Two-bottle format - built for wine pairing sets, twin-bottle gift packs and corporate gifting, a format most single-bottle magnetic boxes cannot cover.
Flat-ship foldable body - the magnetic shell arrives flat and snaps rigid on site, cutting freight volume by up to 60% versus pre-glued rigid cases.
Moulded pulp bottle cradle - paper-based shock absorption replaces EVA foam, protects bottle shoulders and is fully repulpable in standard paper recycling.
Gold foil branding zone - the front lid panel is wrapped in 157gsm art paper, giving a smooth surface for hot foil, embossing and spot UV.
Reinforced base board - double-wall base insert carries 2 x 750ml bottles, roughly 3kg loaded weight, without base sag.
Carry handle option - die-cut or ribbon handle can be added for retail carry-out and duty-free channels.

Specifications

Item	Detail
Box style	Foldable magnetic closure gift box, two-bottle cavity
Material	1200-1400gsm greyboard wrapped in 157gsm art paper or textured specialty paper
Insert	Recyclable moulded pulp cradle, 2 cavities, shoulder and base support
