Product Description

Custom Nutcracker Themed Tuck Top Box | Christmas Personal Care Gift Packaging with Gold Foil Logo

Product Description

This custom Nutcracker themed tuck top box is specially designed for Christmas personal care products, bath gift sets, and seasonal beauty packaging. Featuring a one-piece folding carton structure, the box can be shipped flat to save storage space and transportation costs. Its convenient assembly design makes it quick and easy to set up.

Made from durable 350gsm white cardstock, the box features a rich burgundy Pantone spot-color background as the standard design, with other colors such as forest green and royal blue available for customization. The surface is printed with delicate Nutcracker cartoon illustrations, creating a charming vintage Christmas atmosphere. Matte lamination provides a smooth, soft-touch appearance while helping protect the printed surface against scratches and everyday wear.

Elegant gold foil stamping highlights the brand logo and decorative lines, adding a premium festive touch. The front panel displays the product name, fragrance, and bilingual English/French product information, while the bottom panel provides space for ingredients, brand website, and barcode details. The interior features a clean white finish, creating a neat and attractive presentation when customers open the box.

We offer full customization options, including box dimensions, Pantone colors, artwork, gold foil stamping, embossing, and other special finishing processes. This Christmas folding carton is ideal for bath sponges, personal care gift sets, scented products, and seasonal beauty collections.

Production Lead Time: Sample production 3–5 days; mass production 15–20 days.

Key Features & Benefits

1. Auto-Lock Bottom Structure — Easy Assembly & Space-Saving Shipping

The one-piece folding carton features an auto-lock bottom that securely locks into position during assembly. The box can be delivered flat, helping reduce storage requirements and shipping volume. Its quick assembly design makes it convenient for brands, retailers, and fulfillment teams.

2. Premium 350gsm White Cardstock — Reliable Product Support

Manufactured from 350gsm white cardstock, this Christmas packaging box offers good stiffness and structural support for lightweight personal care products and gift items. The smooth white paper surface also provides an excellent foundation for vibrant printing and premium finishing.

3. Nutcracker Christmas Artwork — Classic Festive Appeal

The charming Nutcracker cartoon illustrations, rich burgundy background, and traditional holiday color palette create a distinctive vintage Christmas look. Forest green, royal blue, and other custom Pantone colors are also available to coordinate with different seasonal collections and brand identities.

4. Gold Foil Logo & Matte Lamination — Premium Holiday Presentation

Gold foil stamping adds elegant metallic highlights to the brand logo and decorative lines, enhancing the overall visual appeal. Matte lamination creates a smooth, refined surface, improves handling durability, and helps protect the printed graphics against everyday scratches.

5. Custom Printing & Finishing — Personalized Brand Packaging

We provide flexible customization options, including custom sizes, colors, artwork, bilingual product information, gold or silver foil stamping, embossing, debossing, and spot UV. Every detail can be tailored to your brand's seasonal packaging requirements.

Application Scenarios & Customer Needs

This Nutcracker themed folding carton is an excellent choice for Christmas promotional packaging, personal care gift sets, and seasonal retail collections.

Application Scenarios	Customer Concerns	Our Manufacturing Solutions
Christmas Personal Care Gift Sets	Brands need attractive seasonal packaging that creates a strong holiday atmosphere.	Nutcracker illustrations, burgundy printing, and gold foil details create a classic Christmas appearance.
Bath Sponge Packaging	Packaging should be lightweight, attractive, and easy to assemble.	350gsm white cardstock and an auto-lock bottom provide practical structure and convenient assembly.
Scented Soap & Fragrance Products	Customers want packaging that communicates fragrance and brand information clearly.	Customized front-panel printing provides space for product names, fragrance details, and branding.
Holiday Beauty Gift Collections	Brands need premium packaging that enhances perceived product value.	Gold foil stamping and matte lamination create an elegant, gift-ready appearance.
European & North American Retail Markets	Packaging may require multilingual information and barcode printing.	English/French bilingual printing, ingredient information, website details, and barcode customization are supported.
Seasonal Promotional Campaigns	Businesses need different colors and designs for different Christmas collections.	Custom Pantone colors, artwork, sizes, and special finishing options allow flexible seasonal branding.

How to Customize Your Christmas Packaging Box

We provide a complete custom packaging service to help you create distinctive Nutcracker themed Christmas packaging for your brand.

Customization Steps	Customer Requirements	Our Manufacturing Service
Step 1: Confirm Box Size & Structure	Provide product dimensions, weight, and preferred packaging style.	Recommend suitable box dimensions and auto-lock bottom structures based on your products.
Step 2: Submit Artwork & Branding	Provide your logo, Nutcracker illustrations, brand colors, and product information.	Check artwork files, printing layouts, and the positioning of logos and product details.
Step 3: Select Materials & Finishing	Confirm cardstock thickness, background colors, matte lamination, and foil effects.	Recommend suitable paper materials, Pantone colors, and finishing combinations.
Step 4: Sample Production	Confirm the final artwork, structure, and finishing requirements.	Produce a physical sample within approximately 3–5 days for your approval.
Step 5: Mass Production	Approve the sample and confirm order quantity.	Arrange printing, die cutting, gold foil stamping, lamination, folding, and quality inspection.
Step 6: Packing & Shipping	Confirm delivery destination and preferred shipping method.	Arrange protective packing and suitable international air or sea freight.

Production Process & Quality Control

Our manufacturing process focuses on printing accuracy, structural consistency, and finishing quality to ensure that every Christmas packaging box meets your specifications.

Production Process	Manufacturing Details	Quality Control
Paper Material Selection	350gsm white cardstock	Paper thickness, stiffness, and surface quality
Color Printing	Burgundy Pantone spot color or customized CMYK printing	Color consistency and graphic clarity
Die Cutting	Custom tuck top and auto-lock bottom structure	Accurate dimensions and precise cutting
Gold Foil Stamping	Gold foil logo and decorative details	Foil adhesion, positioning, and metallic appearance
Matte Lamination	Matte film applied to the printed surface	Smoothness, surface protection, and lamination consistency
Folding & Assembly Testing	Folding carton structure and auto-lock bottom testing	Easy assembly and bottom-lock performance
Final Inspection	Finished box inspection before packing	Appearance, printing, dimensions, and finishing quality

Shipping & Delivery Options

We provide flexible shipping arrangements for small and large orders to meet different purchasing schedules and budget requirements.

Shipping Method	Suitable Order Quantity	Estimated Transit Time	Advantages
Air Freight	Small orders and urgent shipments	Approximately 5–7 days	Faster delivery, suitable for urgent seasonal campaigns and small-batch orders.
Sea Freight to Europe	Large-volume orders	Approximately 40–50 days	More economical for bulk shipments and planned seasonal inventory.
Sea Freight to USA & Canada	Large-volume orders	Approximately 25–35 days	Cost-effective for wholesale orders and large-volume seasonal packaging.

> *Note: The above transit times are estimates and may vary depending on destination, customs clearance, carrier schedules, and logistics conditions. Production lead time is calculated separately.*

Frequently Asked Questions (FAQ)

Q1: Can I customize the Nutcracker Christmas artwork?

Yes. You can provide your own Nutcracker illustrations, brand logo, and Christmas-themed artwork. We also support customized printing layouts and color combinations to match your seasonal branding.

Q2: Can I change the burgundy background to other colors?

Absolutely. Burgundy is the standard design color, but we can customize forest green, royal blue, classic red, black, or other Pantone colors according to your requirements.

Q3: What is an auto-lock bottom box?

An auto-lock bottom box is a folding carton with a specially designed bottom structure that automatically locks into position during assembly. It is convenient to assemble and provides practical support for lightweight products.

Q4: Can the box be shipped flat?

Yes. This one-piece folding carton can be shipped flat before assembly, helping reduce storage space and transportation volume. Customers can quickly assemble the box when needed.

Q5: Can you print English and French product information?

Yes. We support multilingual printing, including English, French, and other languages. Product names, fragrance descriptions, ingredients, usage instructions, and barcode information can all be customized.

Q6: Can I customize the gold foil logo?

Yes. The logo size, position, and foil area can be customized. Besides gold foil, we also offer silver foil and other metallic foil options.

Q7: Can you add embossing or debossing to the box?

Yes. We offer embossing, debossing, spot UV, silver foil stamping, and other special finishing processes. These can be combined with matte lamination to create a more distinctive packaging appearance.

Q8: What products are suitable for this Nutcracker themed box?

This packaging is suitable for bath sponges, scented soaps, bath accessories, fragrance products, and lightweight personal care gift sets. Custom dimensions can be developed according to your product size.

Q9: How long does sample production take?

Our standard sample production time is approximately 3–5 days after artwork and specifications are confirmed.

Q10: How long does mass production take?

Mass production generally takes 15–20 days after sample approval and order confirmation. The actual schedule depends on order quantity, materials, and finishing requirements.

Q11: What is your minimum order quantity (MOQ)?

MOQ depends on the box dimensions, printing requirements, material selection, and production process. Please share your estimated order quantity so we can recommend a suitable production solution.

Q12: Can I order a physical sample before placing a bulk order?

Yes. We recommend approving a physical sample before mass production. You can check the box dimensions, folding structure, printing colors, matte finish, and gold foil details before confirming your bulk order.

Create Your Custom Nutcracker Christmas Packaging Today

Give your Christmas personal care collection a memorable festive presentation with our custom Nutcracker themed tuck top boxes.

Combining charming holiday illustrations, premium 350gsm white cardstock, elegant gold foil stamping, and a convenient auto-lock bottom structure, this packaging is designed to enhance your seasonal product presentation while keeping storage and assembly practical.
