Product Description

Core Selling Points

Foldable Book-Style Rigid Box — Flat Shipment for Lower Freight

Constructed with thick grey board coated with art paper. The hinged book structure can be shipped flat, greatly reducing transportation volume and logistics cost while remaining easy to store.

Vibrant Custom Outer Printing — Eye-Catching Visual Impact

Full outer CMYK printing is available. This sample features a light blue base, a high-definition photo print on the front, and a splash-ink speckle pattern on the side panels, delivering a trendy and attractive brand presentation.

Premium Rigid Structure — Sturdy & Neat Shape

Thick grey board keeps the box rigid and smooth after assembly. The built-in hinge connects lid and base tightly for stable opening and closing, delivering a great unboxing experience.

Diverse Surface Finishes — Flexible Brand Customization

Supports offset printing, matte/gloss lamination, hot foil stamping, UV coating and embossing. Outer graphics, color scheme and box dimensions can be fully adjusted to fit your brand style.

Frequently Asked Questions

Q1: Does this book box arrive pre-assembled?

A1: No. It is shipped flat. Customers can fold it into shape easily when using, which saves freight cost.

Q2: Can I print different patterns on the front and side panels?

A2: Yes. We support separate custom graphics for the front, side and outer lid surfaces.

Q3: Can I add magnets to this foldable book box?

A3: Magnets are optional. We can embed hidden magnets for automatic closure based on your request.

Q4: What paper options are available for the outer wrapping?

A4: We supply coated art paper, textured specialty paper and pearl paper for different surface effects.

Q5: Is the folding structure easy to break after repeated opening?

A5: We use high-quality hinge processing. With proper operation, it maintains good shape for repeated use.
