Product Description

Core Selling Points

Thick Rigid Grey Board Construction — Sturdy & Premium Build. Made of thick grey board wrapped with art paper. The magnetic flip box keeps a rigid shape, offering reliable protection for cocktail tools and botanical ingredients inside.

Full-Color Printed Inner Lid — Clear Instruction Guide. The inner side of the lid is printed in full color with product introduction, ingredient info and cocktail mixing steps, delivering straightforward usage guidance for end users.

Custom Molded EVA Insert — Precise Cut-out Slots. Equipped with a one-piece black EVA insert with pre-cut cavities. It holds spice tins, jigger, bar spoon and other accessories firmly to prevent shifting during transit and display.

Rich Customization Options — Versatile for Gift Sets. Available with CMYK printing, gold/silver hot stamping, UV coating, embossing and lamination. Box size, artwork, insert shape and color scheme can all be customized.

Perfect Gift Packaging — Ideal for Gin & Cocktail Kits. Specially designed for gin fusion kits, cocktail tool sets, botanical spice packs and premium bar gift collections.

Application Scenarios

Usage Scenarios	Customer Concerns	Our Solutions
Gin fusion kit packaging	Need to display ingredients and mixing instructions neatly	Full-color printed inner lid with recipe & ingredient description
Cocktail tool gift set	Tools are easy to bump and scratch in transit	Custom molded EVA insert with individual slots to fix each accessory
Gourmet botanical spice gift packs	Require high-end box texture to raise product value	Rigid magnetic flip box with premium printing and finishing options
Corporate bar-themed promotional gifts	Hope to add brand logo and custom artwork	Support custom printing, hot stamping and personalized box design
Retail seasonal gift sets	Flexible sizes for different combinations of tools and spices	Fully adjustable box dimensions and EVA cutout layout

Step 5	Bulk production & delivery	Complete printing, finishing, QC inspection and packing for shipment

Packaging & Logistics

Item	Details
Inner Packing	Each box wrapped with protective paper to avoid scratches
Outer Packing	Export standard 5-layer corrugated carton
Reinforcement	Foam padding and corner protectors to avoid extrusion and deformation
Shipping Options	Express courier, air freight, sea freight
Shipping Port	Shenzhen / Guangzhou
QC	Pre-shipment inspection for printing, magnetic function, EVA matching and box structure

Frequently Asked Questions

Q1: Can I change the pattern and content printed on the inner lid?

A1: Yes. We can print your custom recipes, brand story, ingredient introductions and graphics.

Q2: Can the EVA insert be adjusted for different tools and tins?

A2: Sure. We design the cutouts according to your actual product sizes and layout.

Q3: Can I choose other insert materials instead of EVA?

A3: Alternative options include paper insert, foam and cardboard inserts for your selection.

Q4: Can I modify the exterior color and printing craft of the box?

A4: Absolutely. Matte/gloss lamination, gold foil stamping, spot UV and embossing are all available.

Q5: Can this box be used for other gift sets besides gin kits?

A5: Yes. It works well for tea sets, spice collections, bar accessories and other premium gift kits.
