Product Description

This luxury magnetic book flip chocolate gift box is designed for premium chocolate collections, hotel souvenirs, and festive gift packaging. Featuring a hardcover book-style structure with a magnetic closure, this rigid gift box offers sturdy construction, a smooth opening experience, and elegant presentation.

The outer shell is made of 2mm thick rigid greyboard wrapped in 120gsm red specialty paper, creating a refined texture and luxurious appearance. Four circular display windows are designed on the front cover, allowing customers to see the chocolates inside without opening the box. Each window is decorated with a delicate gold foil border, while gold foil star patterns add a festive touch. The brand name and slogan are printed in the center of the cover to enhance brand recognition. A durable leather handle makes the box easy to carry and adds a premium, gift-ready appearance.

The inner box is also constructed from 2mm rigid greyboard, wrapped with 120gsm gold cardstock and finished with matte lamination for a subtle metallic look and improved surface durability. Inside, a custom yellow flocked blister tray securely holds each chocolate in place, keeping the products neatly arranged while providing cushioning protection during transportation.

Combining an elegant red and gold color scheme, magnetic book-style opening, transparent display windows, and a convenient carrying handle, this custom chocolate gift box is an excellent packaging solution for luxury hotels, holiday gifts, corporate souvenirs, and premium chocolate collections.

Custom sizes, window shapes, gold foil artwork, interior inserts, and handle options are available to meet your branding and packaging requirements.
