Product Description

Core Selling Points

Stackable Christmas Tree Structure — Eye-Catching Festive Display

The boxes stack into a 3D Christmas tree shape, serving not only as gift packaging but also as attractive holiday decor that stands out on retail shelves.

Pull-Out Drawers with Semi-Circular Cut-Out Tabs — User-Friendly Opening

Available in 12-cavity and 24-cavity versions. Each independent drawer features a semi-circular pull notch for smooth, easy opening — perfect for holding individual small surprises.

Multiple Festive Printing Themes — Rich Visual Options

Supports custom full-color printing. Styles such as a winter forest Santa theme and a pink gingerbread candy theme are available, printed with numbers, snowflakes, gift boxes and other holiday graphics.

Thick Cardboard & Flat Pack Option — Cost-Effective Logistics

Made of heavy-duty cardboard for a stable structure. Ships flat to reduce bulk volume and cut freight costs for bulk orders.

Full Customization & Multiple Finishing — Brand Personalization

Compatible with CMYK printing, gold/silver hot stamping, spot UV and lamination. Size, drawer quantity, color palette, artwork and brand logo can all be tailored.

Frequently Asked Questions

Q1: Can I choose either 12 or 24 drawers?

Yes. Both 12-cavity and 24-cavity versions are available. We can also customize other cavity quantities.

Q2: Can I replace the default Christmas patterns with my own brand design?

Sure. We can print your exclusive graphics, brand logo and custom color scheme.

Q3: Are the boxes shipped flat or pre-assembled?

Flat packing is the default for freight savings. Pre-assembled packing is available upon special request.

Q4: Is food-safe cardboard available for chocolate and candy?

Yes, food-contact-grade cardboard is an optional material for food packaging.

Q5: Can I add hot stamping or spot UV on the drawers?

Yes, gold/silver foil stamping, spot UV and embossing are all supported.
